# 10 million UK homes feel pinch over costs

MORE than 10million households are feeling financially squeezed and almost one in 10 have defaulted on a loan, bill or housing costs, a consumer group has said.

Releasing its findings ahead of Chancellor George Osborne's Autumn Statement this week, Which? urged the Government to ensure spiralling energy and food costs are kept under control.

The group found almost a quarter of households are feeling financially squeezed.

They highlighted consumers' top worries as the price of fuel, energy and food.

Which? executive director Richard Lloyd said: "With 10million households feeling the squeeze and consumer confidence remaining low, the Government has a job on its hands to convince people that everything possible is being done to keep costs under control."

## FROM THE NEWSPAPER NOT AFRAID TO PANIC FIRST...

## Ancient Mayans predicted the world will end on December 21, 2012. Guess what day the North Koreans have chosen to launch their new nuke rocket..?

# WE'RE ALL GOING TO DIE!

KABOOMY COUNTDOWN: Commie nutters' doomsday rocket gets ready to go

**MAD North Korea is preparing to launch a nuclear rocket on the exact day the world is predicted to end – December 21, 2012.**

The Commie state, which on Friday claimed to have found a unicorn lair, says it will launch a "polar orbiting observation satellite" on the day.

Washington considers North Korea's rocket tests to be for dummy runs of long-range missile technology banned by the United Nations.

The firing could bring the United States into direct conflict with North Korea's only ally, China, and spark a WORLD WAR, which would validate the prediction of the ancient Central America-based Mayan civilisation that Armageddon will come this December 21.

By JUSTIN DUNN
justin@sundaysport.co.uk

Respected U.S. expert Michael D Coe bases his stark warning on the Mesoamerican 'Long Count' calendar, which was supposedly begun 5,125 years ago by the Mayan people.

He wrote: "There is a suggestion that Armageddon would overrun the degenerate peoples of the world and all creation on day.

"Our present universe would be annihilated when the Great Cycle of the Long Count reaches completion."

It will be North Korea's second launch attempt under Kim Jong Un, who took power following his dad Kim Jong Il's death a year ago. The first blew up on the launch pad.

## Rachel boobs cause a host of problems

*COUNTDOWN* host Nick Hewer has told how "difficult" it is not to stare at co-host Rachel Riley's BOOBS.

Appearing as a guest panellist on Friday night's *Have I Got News For You* on BBC1, Alan Sugar's advisor on *The Apprentice* also insisted he was not "perving" at the 26-year-old blonde maths expert.

Guest host Jack

Whitehall quipped to viewers: "It was revealed this week that Channel 4 told a contestant on *Countdown* to cover up his offensive chest hair – it was so distracting the viewers almost forgot to look down Rachel Riley's top."

The cameras then cut to Hewer (*above*), 68, who paused before saying: "The thing is, I am right opposite and it's so difficult not to appear to be, you know, staring.

"It really is difficult."

# One-armed biker died in 120mph road smash

A MOTORCYCLIST with one arm died after he lost control of his bike at 120mph on a dual carriageway in his THIRD crash, an inquest heard.

Christopher Newe, 35, lost his right arm in a motorcycle accident in 2001 and had a prosthetic replacement.

The passionate biker survived a second crash in 2007, but suffered a fractured left hand.

Tragic Christopher was killed by a third crash on June 20 after he sped off from friends on his specially adapted motorcycle and hit a central reservation.

Winchester Coroner's Court heard his bike was in "first-class" condition and speed had been the main factor in the accident.

Recording a verdict of accidental death, the coroner said: "It is an understatement to say this was a terrible tragedy."

Fellow biker Brian Vintner told the inquest Chris had been keen to start riding again after he lost his arm.

He said: "Chris was one of those people that no matter what you threw at him, he'd take it on the chin."

Christopher, from Basingstoke, Hants, died on the A303 on the evening of June 20.

The glamour babes – who guest starred in the Channel 4 teen soap as themselves earlier this year – whipped off their bikini tops AND bottoms on a holiday in the Canary Islands.

Leliani, 32, and her pal Jamelah, 35, popped up in the Chester-based soap playing models at a nightclub launch party.

But last week they were miles away from chilly Britain and soaking up some winter sun.

And Leilani's pert 32B boobs browned off as nicely as Jamelah's 32DD norks, said onlookers.

# TULISA: I'M HAVING BEST SEX OF MY LIFE!

By RACHEL SPENCER rachel@sundaysport.co.uk

**SEXY *X Factor* judge Tulisa Contostavlos says she's only just learned to enjoy sex.**

The brunette babe bed-hopped when she was a youngster but now she's in her 20s, the singer has finally started to enjoy some quality rumpy.

Tulisa, 24, says she's much more cautious about who she sleeps with now, adding: "80 per cent of the guys I've been with were when I was between 14 and 17.

"Now I'm 24 I act like the Virgin Mary. A lot of my friends might go out and meet a new guy every couple of months, or sleep with this person or that person, but I'm the complete opposite.

"They take the piss and call me a born-again virgin.

"But sex to me now is a massive thing. I'm not getting into it unless I'm going to have a relationship with that person."

## Losers

Tulisa said she'd drop her drawers for guys when she was younger, hoping for a relationship, but ended up bedding a load of losers.

She recalled: "I can still count on my fingers and toes the number of guys I've slept with.

"A good percentage of those encounters happened between the ages of 14 and 17 and that felt like a lot – even at the time.

"I had too many boys too soon. I regret losing my innocence so early.

"Despite my street-girl persona, I was totally into the idea of fairy-tale romance.

"I wore my heart on my sleeve and I was ready to give my all if I thought I was going to get love in return.

"Of course, it wasn't the right way to go about things, because any attention and affection I got from those men was usually only temporary. It took me a while to learn that lesson."

Tulisa, who is currently dating Newcastle United footballer Danny Simpson, 25, says she's having the best sex ever now and has finally realised what all the fuss is about.

She was left heartbroken earlier this year when a tape made by her ex Justin Edwards, aka MC Ultra, of her performing a sex act on him, ended up online.

Tulisa dated him when she was teenager, and she now says that at that time in her life she didn't really have a clue about sex.

She explained: "It wasn't until I was in my 20s, and the first time it actually meant something to me was a brilliant time in my life.

"I was like, 'Oh, this is why people have sex! I get it now.' I never understood it before. It was just something you had to do."

Tulisa has a five date rule – which she says is the minimum time she will be with someone before bedding them – and has stayed tight-lipped about her and new man Danny.

## Confident

But she confessed in her autobiography, *Honest*, that when she was seeing her last fella – *Skins* star Jack O'Connell, 22, earlier this year – the earth moved when they had sex!

She recalled: "I visited Jack in Bulgaria. While we were at dinner I made a confident announcement: 'Tonight I'm going to rock your world'.

"And I did! The two of us had an incredible night together. It was a proper 'Oh my God' moment for both of us.

"But all of a sudden the entire room was moving – it took a second to process what was happening and I shouted 'it's a bloody earthquake'."

**RANDY singer Olly Murs admits he's obsessed with BOOBS!**

**The host of ITV1's *The Xtra Factor*, 28, said: "I love looking at boobs, I love looking at bums, but I also love a girl with nice lips.**

**"I prefer natural ones but as long as a girl enjoys me touching hers I don't mind."**

***The Dance With Me Tonight* crooner also says he's quick to bonk conquests.**

**He confessed: "I do like to get to know a girl before jumping into bed with her. But if I got to the third or fourth date and I had not slept with the girl I'd worry there wasn't enough chemistry."**

## Babe tops list of most looked for

*X Factor* judge Tulisa Contostavlos was this year's most popular Internet celebrity, new figures reveal.

The stats show the 24-year-old was the most searched-for person by British users of search engine Bing.

While Tulisa's singing career and role as *X Factor* judge no doubt sparked many searches, the leak of a sex tape in March may also have played a part.

She beat 2011 winner Justin Bieber who came in fifth this year.

This year's second most-searched person was Kate Middleton, due to people hunting for pictures taken of the Princess holidaying with William.

Prince Harry also got searches following his antics in Las Vegas.

The third in line to the throne was the UK's sixth most-searched person, behind popstar Cheryl Cole, singer Whitney Houston, who died in February and Justin Bieber.

This year's most searched people were...

**1.** Tulisa Contostavlos
**2.** Kate Middleton
**3.** Cheryl Cole
**4.** Whitney Houston
**5.** Justin Bieber
**6.** Prince Harry
**7.** Robert Pattinson
**8** Rihanna
**9.** Kim Kardashian

## It looks like ugly players are the best

UGLY footballers do better than their good-looking teammates, a new study has found.

Researchers gave 483 players in a top league marks for attractiveness and compared them with their success rates for scoring goals, winning tackles and making runs.

Bayern Munich's French star Franck Ribery, dubbed 'Scarface' after a childhood car accident, was ranked the fourth-ugliest but best-performing player.

A University in Dusseldorf carried out the survey of Germany's Bundesliga, asking 300 people to give players marks from 0 to 7 for their looks.

Study leader Ulrich Rosar said: "Players who look good don't need to work so hard to be perceived in a positive light.

"They'll think, 'I look good, so I don't need to try particularly hard'.

"Ribery would not have to strive so hard if he looked better. He is used to compensating for his appearance by performing at a high level."

The researchers have chosen not to reveal who was rated ugliest.

# Kinky Prem star begged to bonk me while pregnant

KINKY: Prem footie ace has hots for Jenny now she's pregnant – and is begging her for sex

By NEIL GOODWIN
neil@sundaysport.co.uk

**STUNNED pin-up Jenny Thompson was left red-faced after a footie star begged her for a bonk...because she is PREGNANT!**

Gorgeous Jenny is due to give birth to a baby girl on Christmas Day.

But the sexy 23-year-old says she's being pestered online by a Premier League hero with a kinky fetish for ladies who are up the duff!

The 32C beauty, famed for her flings with soccer stars Wayne Rooney and Mario Balotelli, EXCLUSIVELY told *Sunday Sport*: "I'm a fairly open-minded sort of girl but even I'm shocked at the requests from this person.

"This footballer openly admits he has a fetish for pregnant women. He's been making some *very* rude suggestions, stuff his fans would be shocked to hear.

"As you can imagine, I've turned him down! The only thing I'm craving at the moment is bizarre food, not kinky sex!"

### Bloated

Last week we contacted the player, who is a household name, with Jenny's allegations.

And while he was forced to admit our claims thanks to the evidence we'd collected, we're not going to name him for fear of ruining his current relationship with his pretty missus.

But what we *can* reveal is that the fans' favourite got in touch with Jenny via Twitter and her BlackBerry Messenger mobile phone account.

In explicit messages he asks Jenny to send him photos of her "beautiful bump" while asking if her, "Have your boobs got a lot bigger? Can you show me!?"

Former high class escort Jenny, who was paid £1,200-a-night for sex with Manchester United's Rooney in 2010, laughed: "I don't feel very sexy at the moment!

"I'm bloated, tired and look forward to my pregnancy being over. I think it's quite odd that anyone can find this a turn-on.

"I just want to concentrate on looking after my daughter and being the best mum I can be."

The term for those with a fetish for pregnant women is *maiesiophilia*.

So far Jenny has refused to say who the father of her child is, but has ruled out any of the famous men she's been linked with, hinting at a long-term lover from her hometown Bolton, Lancs.

But then stand-up Rob turns provider, pretending to bum Joe silly while an oblivious Laura models another dress.

Irish stunna Laura is again none the wiser as one-time *Eastenders* star Joe grips a cardboard cut-out of former Pussycat Doll Ashley Roberts, even fondling her boobs.

And in another snap, the two lads are seen engaging in a sleepy naked cuddle.

Brit actor Danny Dyer, 35, tweeted: "What's Joe's get up? Is her wearing a geezer?"

Comedian Russell Kane started the craze of appearing naked in Laura's Twitter pics last year and it seems Joe and Rob have taken the joke on.

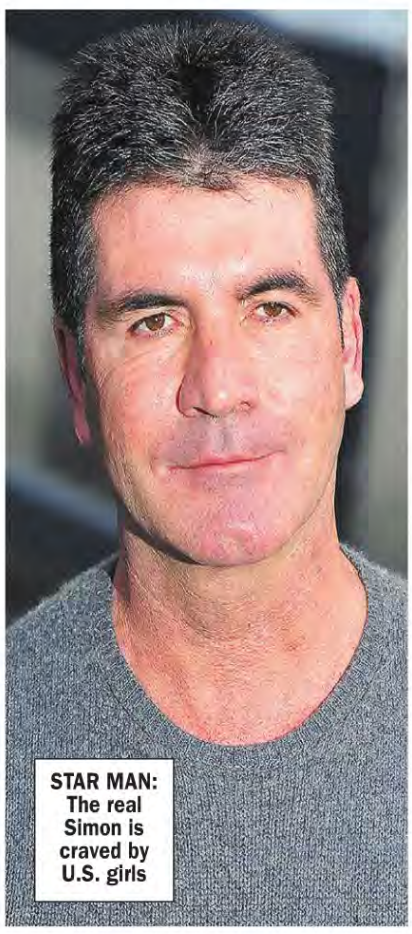
# STOP SAYING YOU'RE MY BROTHER!

## Cowell's outrage at Yank lookalike



STAR MAN: The real Simon is craved by U.S. girls

MIXED-UP: Babes and restaurants think Zack is showbiz mogul Cowell's brother

By JUSTIN DUNN
justin@sundaysport.co.uk

***X FACTOR* boss Simon Cowell has a lookalike who's pretending to be the music mogul's BROTHER to wangle free scoff and dates with girls.**

Nightclub bouncer Zack Cusack has even taken to wearing his hair in the same odd way as Cowell, 53 – short around the sides with a strange flat buzz cut on top.

The 18-stone doorman – who normally wears dark sunglasses to add to the effect – realised he was on to something when a group of girls approached asking for his autograph.

"I wondered what the heck they were on about at first," said Zack, 46, who works as a freelance doorman on Los Angeles' riotous Sunset Boulevard.

"It took a second or two to realise they thought I was Simon Cowell – or related to him. Luckily I hadn't spoken a word up until then so I just replied in my best damn English accent, 'Why certainly, ladies'."

He added: "I started wearing the sunglasses more often and it really opened up a lot of doors for me.

### Attention

"Most of the time I don't even have to pretend I'm related to Simon – the restaurant staff just take it as read, show me the best table in the house and then refuse to allow me to pay for my meal!

"And there's been quite a lot of attention from the ladies, too.

"I can't thank Simon enough – in the daytime I have lunch in some of the best Beverly Hills restaurants, spend the evening in the company of pretty girls and then later on head off back to work in the real world!"

But a source close to Cowell said: "Simon would probably think this was very funny.

"But it's not really fair on the restaurants or the girls if they think there's a chance they're getting close to the main man of international showbiz.

"Mr Cusack should stop pretending to be anything to do with Simon.

"If he really wants all the trappings of fame, maybe he should try out for *X Factor USA*."

# KERRY'S WEDDING NIGHT SEX TAPE HORROR

DOUBLE TROUBLE: Vid showed lookalike in sex act

RED-FACED Kerry Katona has told how her wedding day was almost ruined by a kinky SEX TAPE scandal.

The reality show beauty wed taxi driver Mark Croft at a swanky private bash back in February 2007.

But the 32-year-old says the lavish occasion ended in tears when she learned that intimate footage allegedly showing her MASTURBATING had hit the internet.

Embarrassed Kerry, from Warrington, Cheshire, explains in new autobiography *Still Standing*: "Right in the middle of the meal, my agent Max Clifford rang up and said there was a video doing the rounds of a girl sat on the edge of a bath with a towel on her head, fingering herself.

"Everyone thought it was me. Can you imagine getting that call at your wedding reception? It was awful.

"Max sent me a visual of the video to my phone.

### Bust

"I was eating my wedding dinner while I was looking at it – and I nearly spat out my food. I am not joking. It really did look like me!

"It wasn't me, just a damn good lookalike! She had the biggest bust you have ever seen in your life, bigger than mine, and there were other subtle differences I could see.

"I can't blame people who thought it was me. It really looked like me.

"But did I need to have that conversation and see that clip at my own wedding, while seven months pregnant?

"Probably not!"

Former *I'm a Celebrity...Get Me Out Of Here!* winner Kerry divorced Mark in September last year.

# 'Cinders' thief is brought to heel from the DNA on shoes

A 'CINDERELLA' thief was caught after she left a vital clue at the scene of her crime – her red stiletto shoes.

Sian Brennan, 44, took off her high heels so she could scarper after robbing two men late at night.

But detectives found Brennan's DNA on the stilettos and matched it to records on the police national computer.

Police dubbed the crime the 'Cinderella' case after tracing Brennan through her shoes.

A court heard that Brennan was trying to get a lift home after a night out when she opened the rear door of a car at traffic lights.

In the car were two Freemasons going home from a meeting.

"She asked them for a lift and when they refused Brennan grabbed two briefcases on the back seat, Bridgend, South Wales, JPs heard.

"She removed her stiletto heels and left them in the road before running off."

The briefcases, containing a masonic apron, white cloth gloves and four diaries, were never recovered.

Brennan, of Maesteg, Bridgend, admitted theft from a motor vehicle and was given a six-month community order and ordered to pay £310 compensation.

## Fake skiddies haul at docks

**THOUSANDS of pairs of FAKE underpants worth nearly £1million have been seized at a dock.**

**The haul of 53,664 boxes of counterfeit Calvin Klein boxer shorts were found hidden in a container by UK Border Agency officers.**

**The grundies from Pakistan – destined to flood the Christmas market – had a retail value of £965,952 and were disguised behind a dummy load of furniture and rugs.**

**Suspicions were first raised when officers at Southampton Docks, in Hants, routinely scanned the container. At the same dock they seized hundreds of bogus Disney toys and watches.**

**A spokesman said it was likely Calvin Klein would destroy the pants.**

## ASBO-LLOCKING

*GRUMPY Harry Foster, 78, has been handed an ASBO banning him from shouting "F*** off!" when Christmas ads come on the telly at his Crewe, Cheshire, home.*

I'M looking for a good book to read, any ideas? I've been through all that 50 Shades of Grey stuff and half a dozen more like them. Now I want something even sexier. Come on, somebody out there must have a book that's going to get my juices REALLY flowing.

## Hustle stunna Jaime to be a bloodsucker!

ONE-TIME *Hustle* babe Jaime Murray will play a stunning VAMPIRE in a new Hollywood spine-chiller.

Actress Jaime (*above*), 35, has agreed to star as a blood-sucking beauty called Gerri in the sequel to recent horror remake *Fright Night*.

Jaime – who's been in hit Yank telly shows including *Dexter* and *Warehouse 13* – is a sexy college professor in the follow-up.

She'll take a bite out of a gorgeous young student while teaching in Romania.

And her exploits will alert the girl's former boyfriend Charlie Brewster and his vampire-hunting pal Peter Vincent.

An insider revealed: "Jaime's character is red-hot and she's going to go over-the-top. It'll be hilarious."

Scottish heart-throb David Tennant played Vincent in the recent remake, which was set in Las Vegas and had Colon Farrell as the vampire preying on night workers.

But the former *Dr Who* is NOT expected to return for the sequel.

# SKYFALL'S DAME JUDI GETS 'M' OUT!

By JUSTIN DUNN
justin@sundaysport.co.uk

**HERE'S Bond star Dame Judi Dench as you've NEVER seen her before – offering her BOOBS for a thrill!**

The veteran actress – who makes her seventh appearance as 007's boss M in blockbuster movie *Skyfall* – bared all for a BBC2 drama in the 1970s.

Dame Judi, 77, was appearing in televised play *Langrishe, Go Down* alongside British actor Jeremy Irons.

Her character, Imogen Langrishe, begins a torrid affair with Irons' German scholar despite the wishes of her concerned sisters.

### Nipples

During one scene, Dame Judi is seen stripped topless and rubbing WHIPPED CREAM across her nipples.

In another she's seen FULLY NAKED – with full frontal camerawork even catching her underbeard – as she runs along a beach at night.

*Skyfall*, the 23rd Bond movie and the third starring Daniel Craig, has taken almost $800million at box offices worldwide – making it the most successful 007 film of all time.

In the UK, the film has already taken over £89.6m despite only being out for five weeks. It is the second-highest-grossing movie in the UK box office this year.

LICENCE TO THRILL: Dench with her weapons drawn for TV

## ...and so does the fit new spy

BOND newcomer Naomie Harris has a lot i common with Dame Judi Dench – they're both 007 stars and have both stripped for the screen!

Naomie, 36, plays sexy new M16 recruit Eve in the box office smash hit *Skyfall* alongside Dame Judi and Daniel Craig as the iconic spy.

Eve is seen accidentally shooting Bond at the start of the movie – although he later recovers to take on his latest mission.

Naomie used a body double for the explicit scenes in 2010's *Sex & Drugs & Rock & Roll* biopic about revered musician Ian Dury. But her own nipple makes a brief appearance during one close up.

One production source said: "I spied that all my own!"

# GAZZA

## The signing they ALL wanted

# I beat Eric once... no bull!

**IT'S no wonder Eric Bristow's grumpy – he's still raging about the time I beat him at darts!**

First of all, I have to say that Eric's my favourite contestant in this year's *I'm A Celebrity... Get Me Out Of Here!* – even if he is always in a bad mood.

I love that he says exactly what he thinks.

But then I would say that as I'm a huge darts fan, so I'm biased.

A few years ago, when Eric was the World Champion, he was my hero. I used to love watching him on telly, but I also got to meet him in person – one of the perks of being famous, I suppose.

The last time I saw him was a few months ago when he was doing a tour of Betfred bookies – the League Of Legends – and anyone could go along and challenge him to a match.

### Nuts

I used to play a lot of darts in the working men's clubs and I'm pretty good, if I do say so myself.

And guess what? I beat Eric 3-2.

I offered him a rematch, but he was shit scared of losing again and just went, "I think you better give someone else a go now."

If people could see me playing darts at home, they'd think I was f***ing nuts. I hang the dartboard on the living room wall and throw the darts from the doorway – that's about nine feet.

People might laugh, but that must be why I'm so good now. And anyway, Eric shouldn't feel too bad – I've taken money off loads of people at darts.

In the pub, I used to put a £5 note on top of the 20 and challenge people to hit it from eight yards, four yards and three yards.

I'd bet them £50 they couldn't hit all three.

Usually, they'd hit from eight yards and four yards – no problem – but they always struggled to adjust for the throw from three yards. I made £300 some nights. But I used to wait until they were half-pissed before I challenged them!

I used to hustle at pool as well. When I played people for money, I used little tricks.

Just as the guy was taking his shot, I'd say, "Hey mate, I shagged your missus last night" or lick the tip of their cue when they went to the bog, to make it slippy.

But if Eric ever fancies that re-match when he gets out of the Australian jungle, he knows where I am....

**THE world lost a legend last week with the death of Dave Sexton.**

**I felt sad when I heard that Dave – who managed Chelsea and Manchester United – had passed away aged 82.**

**But I can smile because I have so many happy memories of him.**

**He was my manager when I played for the England under-21s. I remember when I got called up, they fetched me in and said, "We're really sorry Paul, but you're not in the under-19 squad."**

**I started crying, but then they said, "But you have made the under-21 squad."**

**I was so happy.**

**Anyway, Dave was in charge and he was without doubt the toughest manager I've ever played for.**

**He was so hard, but that was how he commanded respect – he didn't take any shit.**

**One time, our left-back Julian Dicks – who was a hard bastard himself – had hurt himself. Dave said something to him and he reacted badly, throwing a cup on the floor.**

**Relaxed as you like, Dave just went, "OK, very good. Now, if you ever do that again, I'll knock your f***ing head off."**

**The room fell silent and we all knew not to mess with him.**

**I owe Dave a lot – I have him to thank for helping to launch my England career.**

**He was a great manager and a great bloke. He was a legend.**

**RIP, Dave.**

**DEEP sea divers might as well wear "EAT ME" signs on their chests for sharks.**

**Experts say great whites attack humans because they think we're seals.**

**So why the f*** do divers dress in slippery, black suits and wear flippers?**

**They must be f***ing mad!**

**I read this week that more and more great whites are being spotted in British seas.**

**In that case, I think these divers need to pay a visit to Gok Wan for one of his famous makeovers.**

**Or they might just end up being eaten by the next Jaws!**

## He's not the one and only

YOU know you're on the way down when you're opening the Christmas markets in Hastings!

But that's what 90s pop star Chesney Hawkes (*above*) has been asked to do.

And I feel sorry for him because he's getting hammered by the locals for not being famous enough!

I've heard that Rihanna (*right*) got paid £4 million for switching on the London lights.

I did it for a lot less 20 years ago – but I reckon Chesney must be getting about £4!

**THANK f*** I don't live in Serbia – apparently, there's a VAMPIRE on the loose over there!**

**The locals are absolutely convinced this famous blood-sucker, Sava Savanovic, is prowling the Bajina Basta region after his old home, a rundown watermill, fell to pieces recently.**

**And the council are taking it so seriously, the mayor has even issued a warning – telling people to put garlic on their windows and doors and hang crucifixes up all over the place.**

**If they hang garlic all over the place, it'll definitely keep their wives away, never mind this vampire!**

**But wives and vampires are pretty much the same thing...**

## Taking the Mick

IF I look half as good as Mick Jagger does when I'm 69, I reckon I'll be chuffed to bits.

The Rolling Stones smashed it when they played at the O2 last week and Mick was jumping around like an 18-year-old lad.

Most fellas his age are at home with their slippers on and sucking on a Werther's Original.

So the sight of Mick (*below*) performing should give hope to anyone approaching old age.

He was at an England game once and as I was climbing the steps to collect my medal, he said, "Well played, Paul."

I didn't have a pad or anything, so I had to get him to sign my tracksuit!

## Listen very carefully, I shall say zis only once...

I THOUGHT I had tuned in to an old episode of BBC1 sitcom *'Allo 'Allo* when Joey Barton was on telly this week.

If you haven't seen the press conference that Joey gave in France the other day, you need to find it on YouTube or something.

Trust me, you won't be disappointed – it's f***ing hilarious!

Obviously, he's still a Queens Park Rangers player, but he's on loan to Marseille at the moment and he gave the press conference after his first league game for the French outfit.

And for some reason, he decided to speak English, but with a FRENCH ACCENT!

It's strange because I could've sworn he was a Scouser!

Joey gets a fair bit of stick for the way he plays the game – and for some of the things he says – but at least he was able to laugh at himself after he got slaughtered for speaking in a silly accent. It was worse than Steve McClaren's Dutch accent – which Joey admitted himself on Twitter.

It's good to see football still has the odd character – when I was at Lazio last week, seven of the Spurs players walked past me before kick-off, all wearing headphones. By that point, they should be having a laugh and raising each other's spirits in preparation.

Joey could pass for a Frenchman with that accent and moustache – all he's missing is a beret, a stripy top and a string of onions round his neck!

# TOWN NEAR YOU! AND ABOUT!

By JUSTIN DUNN
justin@sundaysport.co.uk

**HUNDREDS of women across Britain have taken up the latest craze – FLASHING in public!**

Lusty ladies up and down the land have been peeling off in public places and then posting cheeky snaps of themselves online.

And we're not just talking about a quick lift of the jumpers here, either.

Many of the game-for-it girls have stripped FULLY NAKED in BROAD DAYLIGHT while their partners or pals take raunchy snaps.

## Flash

Afterwards the girls can't wait to get the pix up on social networking sites such as Twitter or flashing websites like naked-inpublic.tv, exxxposer.com and truthordarepics.com

Flasher Sandra Bullock, 29, from Stoke, said: "My husband and I went away for the weekend in Blackpool and we'd had a few drinks when he dared me to flash my boobs in public.

"I was nervous at first but once I had done it I felt absolutely amazing.

"Next thing you know I was stripping off everything all over the place!

"The amount of websites dedicated to it just proves how popular and addictive it is!"

## Black turns down 3-way rock romps

*KUNG Fu Panda* comic Jack Black has banned SPIT-ROAST sex with groupies and his best mate.

Hollywood funnyman Jack and rock band pal Kyle Gass claim they get loads of offers of sex from fans of their group Tenacious D.

Recently, a 22-year-old blonde babe wanted to shag both of them at once, claiming her dream sex experience was letting one pound away while she gave the other oral pleasure.

But *School of Rock* star Jack, 43, turned down her raunchy request even though his mate was up for it.

He said: "I'm not into that thing with the high-fives over the girl's back. I'm not into that kind of bonding."

Jack (*above*) also admitted he'd never had a three-in-a-bed romp despite offers, adding: "We've never had an actual double team and I don't want to."

## Fire service foots £60k compo bill

**A FIREMAN received £60,000 compensation – after a fire engine reversed over their FOOT.**

**The bizarre mishap was just one of 13 workplace claims which have cost a cash-strapped fire brigade a staggering £200,000 in the last two years.**

**Another West Midlands Fire Service worker got £7,000 after a flying boot hit them in the eye.**

**In another incident, an out-of-control hose hit one firefighter in the chest, leading to a £4,000 award for trauma.**

**The brigade is facing £10m of budget cuts.**

# IRN BRU ADDICT IS A FIZZICAL WRECK

## Doll thief's thrown out of court for water stunt

A BARBIE doll thief was thrown out of a court after he asked for a glass of water then poured it over his head in front of magistrates.

Brian Brunskill also repeatedly called the chair of the bench 'pet' during his bizarre appearance.

The 34-year-old had admitted stealing a Barbie doll, worth £11.33, from Argos but started behaving erratically after his plea.

Brunskill, of Willington, County Durham, stood up, removed his jumper and asked the JPs to wait for a minute while he methodically folded it into a neat shape.

When they told him to sit down, he said: "Give me 20 seconds to do this."

He asked everyone in court to speak up as he was not wearing his hearing aid before and repeatedly interrupted the prosecutor.

He finally requested a glass of water which he threw in his own face, after which magistrates ordered him to leave at Newton Aycliffe Magistrates Court and sentenced him in his absence.

His defence said his client's actions could be attributed to nerves, but JPs slammed his behaviour and ordered him to pay £11.33 compo and £85 costs.

## Kids made ill by jumbo sex

**A ZOO'S sex education programme for primary pupils left kids sick!**

**One young boy almost fainted when his primary school class were shown a graphic video of an elephant giving birth.**

**And the Edinburgh Zoo video left several other youngsters feeling queasy, a mum claimed.**

**The pupils, aged 10 and 11, were also asked to shout out the names of sex organs on a visit to the monkey enclosure.**

**One mum said: "The film about the elephant was quite full-on and there was one little boy who felt quite sick."**

**Zoo education officer Joanna Dick agreed their *Cycle of Life* programme is "no-nonsense", but said: "It's our most popular lesson."**

HABIT: Andrew blew £60 every week on his fave pop

## Andrew's EIGHT litres a day for 20 YEARS

**A FIZZY pop lover has told how his £30,000 addiction to IRN-BRU nearly KILLED him.**

Hapless Andrew McSherry says he guzzled EIGHT LITRES of the bright orange drink every day for 20 years.

But his crippling £60-a-week habit left him with arteries so clogged with sugar that he needed QUADRUPLE heart bypass surgery.

The former labourer, from Cumbernauld, North Lanarkshire, admitted: "I was an Irn-Bru addict. For 20 years, I went through eight litres a day. It's a wonder I didn't turn ORANGE.

By ISOBEL DICKINSON
izzy@sundaysport.co.uk

"I used to keep a two-litre bottle beside my bed and if I didn't get up in the night to drink it, in the morning I would feel really ill.

### Junkie

"I'd be sweating, shaking and feeling sick – just like a junkie in need of a fix."

The 51-year-old, who has spent around £30,000 on the fizzy tipple, had no idea his life was in danger until he got his cholesterol checked.

And he was given the heart-stopping news it was THREE TIMES the healthy limit.

But to the horror of wife Margaret, 47, the dad-of-three says even a stint in hospital couldn't stop him from slurping the fruity juice – famed for its advertising slogan "made in Scotland, from girders".

Andrew, who had heart surgery in July last year, added: "I remember the first thing I bought off the trolley when I was back on the hospital ward was a bottle of Irn-Bru.

"No one had guessed it was my sugar intake that caused the problem.

"And I didn't realise I was drinking the same as 150 teaspoons of sugar a day.

"I knew then it was time to stop.

"I didn't want my sons to end up without a dad. Being alive is more important than a bottle of juice."

A spokeswoman for Irn-Bru makers, AG Barr, said: "Irn-Bru can be enjoyed in regular and sugar-free variants as part of a balanced diet and a healthy lifestyle.

"We would never advocate over-consumption of any one product."

## Diva Kath's happy with singles life

CLASSICAL stunna Katherine Jenkins has slapped down links to new fellas and declared she loves her single life.

The blonde opera singer says she has been happy living alone after splitting with TV presenter fiancé Gethin Jones earlier this year.

And she's fed up with being linked with other men – some of them almost strangers.

Katherine said: "It's annoying, I can't seem stand next to someone without them being my new boyfriend.

"But I'm enjoying being on my own and spending time with my friends. I'm definitely not ready to rush into anything."

Beauty Katherine, from Neath, South Wales, recently took to Twitter to deny rumours of an affair with soccer star David Beckham.

And there was talk she was in a romance with dancer Derek Hough, 27, while she was appearing on *Dancing With The Stars* in the States.

But Katherine says they are just friends and the show helped her get over her split.

STAR OF LAST NIGHT'S DATING SHOW **TOPLESS**

# TAKE ME OUT... OF MY BRA!

TELLY TREAT: Edelle on the show

By RACHEL SPENCER
rachel@sundaysport.co.uk

**LET the pinky see the perkies!**

Here's the sultry star of ITV1's top dating show *Take Me Out* babe... minus her bra!

Stunning Edelle Notte, from Cork, wowed lucky lad Joe when she joined him for a romantic date fly-fishing on the Isle of Fernando last night.

Fans saw the lovely 34C babe in a skimpy bikini but now she's unveiled her lucky charms completely in a sizzling photoshoot for *Sunday Sport*.

Edelle said: "It was my first ever glamour shoot and I loved every minute. I'm just starting out as a model and going on *Take Me Out* has been great to launch my career."

The programme's host Paddy McGuinness might have to invent a brand new catchphrase after seeing bubbly Edelle in all her glory!

Lusty Paddy, 39, commented on the babe's pert boobs when she wore a skimpy blue vest top during filming. Speaking about Edelle's entry into Miss Bikini Cork, he told her: "It's a bit cold to be hosting it in Ireland!"

But the 27-year-old babe replied: "That's why they do it – because it's always a bit nippy!"

Edelle says things didn't quite work out with Essex boy Joe – despite her enjoying a ride on his banana boat.

She said: "Joe was lovely, a really sweet guy. But I like my guys to be a bit rough and ready. Joe was a bit of a nice boy.

"A lot of the girls fancied Paddy, but while I like a man who's tall, dark and handsome, he's not for me. But we did have a good giggle and a flirt and I thought he was great fun."

Edelle has now jetted off to India where she is starting a new career... as a Bollywood actress!

**AS if stunna Caitlin Wynter wasn't eye-catching enough, the busty brunette says she can make her boobs 'dance'!**

We caught up with the 21-year-old pin-up as she moved into her new pad in Wanstead, north London.

Caitlin, originally from Birmingham, told how she amuses her flatmates by jiggling her tasty 34E breasts.

She revealed: "Well, I don't want you to think everything is just about my boobs, but I can make them dance!

"I make them jiggle! I love the look on a bloke's face when I do it.

"I reckon I could use it to distracting people if I ever wanted to start a life of crime!"

# Jack spied on Pippa's big hockey thighs

*FRESH Meat* star Jack Whitehall used to spy on Royal babe Pippa Middleton's BEHIND!

The TV comic, 24, got a glimpse of Pippa's "powerful thighs" when he clocked her playing hockey at the Harrodian public school they both went to.

Jack said: "Yes, she was a couple of years

above me. She was a bit of a fitty, even then. I used to go to watch her play hockey.

"Powerful thighs."

Jack, of *8 Out Of 10 Cats* fame, also suggested some helpful tips for Pippa, author of party advice book *Celebrate*.

He said: "Right, basic stuff. 'If you're at a wedding, don't look fitter than your sister. She will hate you for the rest of your life.'"

But be warned, this is not for the feint-hearted. Sizzling scenes include beautiful latex doctor Rebecca More giving her patient physical examination by sucking on him before getting both holes filled and curvaceous beauty Paige Turnah in bondage while being driven by a horny chauffeur watching her in his mirror. They park up and sexy Paige takes her chauffeur on a fast and furious joy ride.

**Stained**

Stunna Shay Hendrix finds a bound fella in an Elvis mask and they are soon joined by another muscular black stud; it soon develops into a hard-core scene with both guys emptying their hot sauce over her rounded rump and make-up stained face.

Then, what about sultry Karlie Simon sitting on her gimp's face as he licks her to climax before getting it up the wrong 'un in a gyno chair?

## House horror in Amityville film no hoax, says resident

THE man at the centre of the infamous 'Amityville' hauntings has slammed doubters, saying, 'our demonic nightmare was no hoax'.

In 1974, six members of a family living in Amityville, New York, were shot and killed while they slept by 23-year-old son Ronald 'Butch' DeFeo, Jr.

After Butch was jailed for the grisly murders, the home was sold to the Lutz family, who claimed the house was POSSESSED by an evil spirit.

Daniel Lutz has now broken his silence with a new documentary, *My Amityville Horror*.

Daniel, 47, says: "I stopped trying to persuade people about this a long time ago.

"I believe evil can manifest itself in any way, shape or form it chooses and that I was a victim of that."

Experiences he says he witnessed include members of the family being levitated, plagues of flies, and an angry red-eyed demon.

He adds: "My brother and myself shared a levitation experience in our beds. We both woke up, and our headboards and footboards were smashing each other and banging off the ceiling."

The story became a smash 1979 movie starring Margot Kidder.

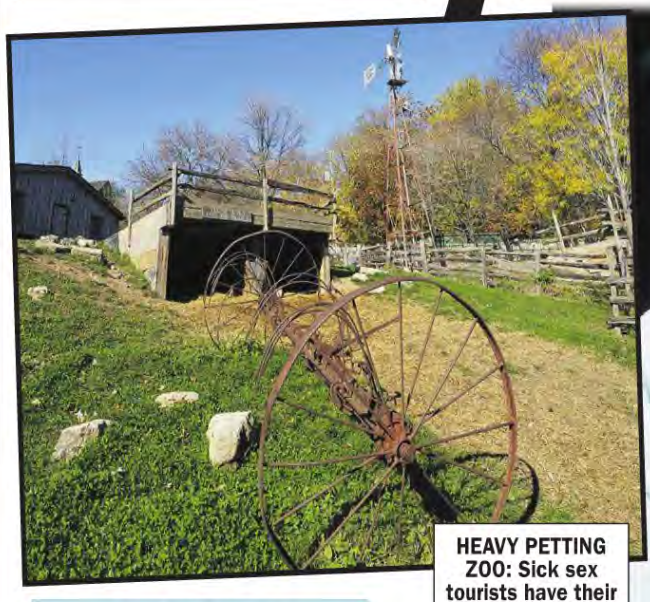
## SICKO KRAUT WHO RUNS DEPRAVED EROTIC ZOO WHERE HUMANS BONK THE BEASTS

# Many English people come here for sex with my animals...it is very fun

SEAL-ED WITH A KISS: Eberhardt with his sea lion, who he says is popular with sex zoo visitors



HEAVY PETTING ZOO: Sick sex tourists have their way with animals at the remote German brothel

By JUSTIN DUNN
justin@sundaysport.co.uk

**MEET Steffen Eberhardt – the twisted German bastard who runs an "erotic zoo" for people who lust for sex with ANIMALS.**

He is one of several of his countrymen facing an uncertain future after the German government decided to take action to criminalise bestiality – which has incredibly been LEGAL in Deutschland since 1969.

Herr Eberhardt runs Schwein Haus – a loose translation of "pig pen" – in ramshackle buildings on private land in a remote part of Germany's vast Hessia region.

To the outside observer, it looks like a small petting zoo open to visitors to enjoy seeing pigs, horses, deer – and, bizarrely, sea lions – at close hand.

### Sordid

But acting on a tip off, *Sunday Sport* undercover investigators discovered that Schwein Haus is in fact one of Germany's sordid animal brothels – and acts as a mecca for sicko sex tourists from around the world, including the UK.

Herr Eberhardt – whose surname means "strong as a boar" – patrols his sex zoo wearing knee-length wellington boots and a black plastic abattoir worker's apron.

Fooled into thinking he was talking to a potential client, he told our man: "Here in Germany we haff no problem for sexy sexy with ze animal. Horse, pig, ze goat – very popular, big.

"Even the sea lion – ha, ha! Many people come here for ze sexy sexy beast."

Suddenly slapping a nearby pig's bottom with his meaty hand, the 47-year-old former accountant added: "You English, ja? We haff many English come here for sex with animals. Is very fun for them."

Bestiality was legalised in Germany in 1969 – the same year that gay sex was also removed from the criminal code. After that, sex with animals was only punishable if the animal was "severely injured".

But animal welfare groups are pushing for the ban to be reinstated in an advertising campaign that used dramatic examples of "animal rape".

### Pimping

Agriculture minister Ilse Aigner has agreed to change the law to make it illegal for people to "use animals for their own sexual activities or sexual acts of third parties" – which also bans the pimping of animals to others. But zoophiles – people who have sex with animals – have reacted with anger and vowed to sue the government if an animal-shagging ban is introduced.

Zoophile group ZETA spokesman Michael Kiok, who lives with his dog Cassie, says there are more than 100,000 zoophiles in Germany.

Kiok said: "An animal is quite capable of showing precisely what it wants and does not want. When I look at my dog I know immediately what it wants."

A vote on the law change takes place in German parliament later this month.

## Silk trollies are Brian's ball warmer

BEARDED legend Brian Blessed has revealed how he tackles the cold weather – and it's not his chin rug that keeps him warm!

The *Blackadder* actor, 76, has confessed to wearing girly silk underwear in the winter to keep his knackers toasty.

He said: "I do love silk underwear. It's the warmest and it doesn't chafe.

"It keeps my privates warm; it's the first line of defence against the extreme cold.

"I do use a bit of Savlon in the areas that chafe, too."

The *Flash Gordon* star also lifted the lid on his plan to break a mountain-climbing record.

He said: "I want to climb Everest without oxygen. I'll be the oldest man to do it. It will show that everything is possible."

Blessed has attempted to climb Mount Everest on three occasions, reaching the summit once.

## Furbys spark bribes battle

**DESPERATE parents are offering bribes to shop workers to make sure their kids get this year's must-have Christmas present, the Furby.**

**Retailers across Britain are selling out of the robotic toy pets as quickly as they can put them out on the shelves.**

**Some stores have hiked the price of the £49 toys in response to the demand with Tesco now charging just under £55 on its website.**

**But the price increase is no deterrient – and the particularly scarce purple and pink Furby is selling for up to £150 on eBay.**

**One Manchester store worker said: "Parents are saying 'can we make it worth your while'.**

**"Even if we wanted to, they just aren't in the store for long enough."**

## Witches are making life Taff in Wales

WITCHES are alive and well and casting spells and curses in Wales, according to a top vicar.

The Rev Felix Aubel says he frequently came across people using the evil eye, effigies and folk magic.

And he says he even called in an exorcist to lift a curse that had been placed on one of his parishioners.

He said: "In witchcraft a poppet is a doll made to represent a person, for casting spells on that person.

"It was this evil type of poppet that was used on a chapel member of mine in the Aberaeron area. It took an experienced exorcist to raise this curse, which had been placed by a witch on the instruction of another former church member."

Writing in his book, *(above)* he described how he saw the cursing woman in action.

He said: "A lady who had given birth to a boy was wished bad luck by the evil glance in the eye of a childless spinster neighbour.

"Mother and child were taken ill for no reason and hospitalised."

## WARNING ALL CYCLISTS

# THIS MAN WILL SNIFF YOUR BIKE SEAT

**CYCLISTS have been warned to be on their guard – after Britain's most notorious BIKE-SEAT SNIFFER walked free from a court.**

By SIMON DEAN
simon@sundaysport.co.uk

Legal commentators had expected Clinton Dennison to be jailed after he was caught snurging seats at a municipal bike shed in Balham, south London – for the 57th time!

But not only was he found not guilty, his lawyer successfully argued that sniffing bike seats is NOT an offence if the bike's owner does not witness the act.

In a landmark ruling, city magistrates agreed with Dennison's solicitor Armitage Phelps that a sexual motive had not been proved – and if the cycle's owner was not present to see the sniffing, a public order offence could not be proved. As Dennison's snurging had only been seen by a CCTV operative, magistrates ruled there was no case to answer and ordered the 31-year-old bachelor to be freed.

The case could make saddle-sniffing almost impossible to prosecute outside certain strict circumstances.

### Scuttling

Unemployed former water treatment operative Dennison said nothing outside court, simply scuttling away making a high-pitched wailing sound.

But he has vowed in previous newspaper interviews: "If I see a bike seat, I will sniff it. The law will come around to my way of thinking, eventually."

Jo Prendergast, of feminist bike club Menstrual Cycle, blasted: "Again, the Establishment has side-stepped the very real issue that bicycle-seat sniffing leads to all manner of anti-woman crimes.

"One day it's sniffing a bike seat, the next it's glancing at bottoms or saying 'hello' to women in the street."

Even enemies of cyclists have reacted with fury at Dennison's vile antics.

Brendan O'Cafferidge of the Taxpaying Road Users' Forum said: "Anyone who uses Britain's roads hates cyclists.

"But not even these lycra-wearing nincompoops deserve having their seating areas insufflated like this."

BACK IN THE SADDLE: Clinton has vowed to keep on sniffing

# THANKS FOR A GREAT NIGHT, HARRY!

## Groupie's topless tweet to One Direction swordsman

TOP MARKS: But was this fan's score for Harry's singing or his shagging?

**ONE Direction heart-throb Harry Styles is at the centre of a cougar riddle – after an older woman tweeted him a TOPLESS snap of herself holding a sign saying: "10 out of 10."**

By JUSTIN DUNN
justin@sundaysport.co.uk

Fans immediately began wondering if she was awarding the teen superstar, known for liking older women, full marks for a performance on stage... or in the SACK!

Harry – who has a whopping 8.5million followers on Twitter – is currently in New York with the rest of the boy-band as they prepare to perform at the legendary Madison Square Gardens venue on Monday evening.

The bespectacled lady sent him the strange pic on Thursday afternoon from the Twitter account @MeHornee4Harry.

### Topless

Along with the topless pic with the sign saying "10 out of 10", she wrote: "Thanks for the great night, Harry!"

The account was not named but gave its location as New Jersey – which is across the Hudson River from New York.

Harry, 18, has had flings with *Xtra Factor* presenter Caroline Flack, 31, and married radio DJ Lucy Horobin, 32. He once said: "I love cougars – age is nothing but a number."

One distraught fan – @Jennee1D4EVAxx – tweeted: "Tell me Harry wouldn't do that? Did she see him live? Or did he do the dirty?"

But a source close to the curly-haired Cheshire-born singer said: "There's no way Harry would contemplate sleeping with someone like that.

"He's flattered by the attention but let's face it – she's a minger."

## Porn star's sex offer to footie fans

A TOP porn star has offered Barcelona footie fans a night of passion with her if their team win the Spanish title.

Lionel Messi and company are currently 11 points clear at the top of La Liga.

And XXX actress Janeira Ventura, 27, (*above*) has invited supporters of the Catalan giants to enter a raffle to win "the night of their lives" with her.

The Colombian-born beauty, who grew up in Spain, also wants Barca to let her be their "official porn star".

She said: "If we win the league this year I promise to spend a night of passion with ANY Barcelona fan.

"It can be a man or a woman – women drive me wild in bed.

"They can prove they support the team by showing me their membership card, or photos or tickets from a game.

"We'll lock ourselves away in a hotel for a weekend, with champagne, strawberries and cream."

Toronto-based Janeira also plans to have Argentine striker Messi's name tattooed "in a secret place" in the near future.

# IN THE KNOW WITH MIKE STARR

**BRITAIN'S No.1 SHOWBIZ COLUMN**

**LOOKS like DIRTY PETTICOAT frontstrumpet FRANNIE GOOSE may be "on the market" again after a right "ding-dong" in Audlem.**

**Frannie, ex of TRUMPERS drummer DENNIS TAWT, was at the annual AUDLEM BELL END FESTIVAL – the North West's premier campanology get-together.**

**But her boozy antics with NORRIS HARRAP of TORN INNOCENCE were reported in the local press – and that didn't make her fella KEN JOOP at all happy! Clang!**

WHAT does pop wild rascal **NIGE FOSTERSON** want for Christmas? A smacked bottom if his dad **BRUCE** has anything to do with it!

Nige, who has the mental age of a cantaloupe, took Bruce's prized motor – a 1976 Maxi – out for a spin in Winkle.

But a spin on some fallen leaves left the Maxi in bits and the worst thing is, Bruce ain't even insured! Ooops!

**WORRYING word reaches me of trouble in Paradise – aka PARADISE NIGHTCLUB in Lowestoft.**

**Suffolk's largest superclub has been home for local lad DJ SID for the past three years but I hear that rival DJ BIG JEFF has been lined up for the New Year All-Nighter.**

**The row split Lowestoft, with some clubbers rooting for Sid, while others insist they're "not that bothered, as they're going to Beccles."**

SCAT-FUNK hipster **PENNY VON GOEBBELS** has landed a major-rama deal – and they don't come cheap.

The hothead (and hot body – WOW!) is to be the face of **HARD'S LARD** – which got a major boost when it was recommended by **BOING!** TV chef **LINDA LUSH** last week.

The only fly in the cake batter is that Penny has no idea what lard is and thinks she's plugging some sort of "facial wax"!

**MIDGET actor NULLY PHILLIPS is in the doghouse again... and this time, we mean it literally!**

**The 23-year-old ex of sex concept artist DISHY SPOON got in trouble last Candlemass after an incident in Axminster.**

**This time he was caught little legs akimbo in a kennels at Ringwood, apparently giving Fido his little Bonio. Tsk! These little fellas, eh?**

**See more Mike Starr @sundaysport.com**

# TRANNY & JUNE

TELLY STAR: Tranny Lauren Harries

**Emma Glover**

**Age 25, 34G-23-33, from Brentwood**

**"IT looks like we're set for a cold snap and that means one thing – it's time to dig the winter woolies out!**

**I much prefer wearing very little in scorching sunshine but there is something to be said for wrapping up warm and braving the elements. The best bit is getting home and taking it all off again!**

**And it's even better if you've got someone to help you do it!"**

## Beeb's big idea for new sitcom is SEX SWAPS

**IN times gone by the BBC has been responsible for classic comedies such as *Blackadder, Monty Python* and the immortal *Terry and June*.**

And now Auntie hopes to land licence fee payers with a whole new barrel of laughs... based around TRANNIES!

The ever-so-PC BBC has launched an "exciting new talent search for TV comedy scripts featuring transgender characters and/or themes".

According to the BBC Writersroom website the "talent search (is) to encourage writers to promote a positive portrayal of transgender people in mainstream comedy.

By SIMON DEAN
simon@sundaysport.co.uk

"The Trans Comedy Award opens up an opportunity for the transgender community and members of the general public to portray transgender characters and the transgender experience in an affirming manner."

### Prize

And a prize of £5,000 is on offer for the best cocks-in-frocks storylines. Previous trannies that have made people chuckle include former child prodigy Lauren Harries and Barbara the taxi driver from League of Gentlemen. It's not the first time that the corporation has looked beyond the normal avenues for comedy gold.

Last week, *Sunday Sport* reported that the Beeb had given the OK to a laugh along show about ASSISTED SUICIDE.

Earlier this year, BBC insiders revealed telly chiefs were facing a sitcom shortage because the best ideas were now pitched to rivals ITV, Channel 4 and BSkyB.

Now the Beeb is fighting back, but not everyone is cock-a-hoop about the sex swap departure.

Harold Jones, co-chair of telly clean-up group This Is Filth, raged: "I knew of these creatures when I served in the East. They have no place in our sitting rooms."

## Porno boom in sex parts for old girls

KINKY adult actresses are being forced to lie about their age so they are old enough to star in the booming OAP PORN industry.

Mature blue films have become the business's biggest adult movie sellers around the world.

An industry veteran said: "It used to be that young actresses earned all the money, but it's completely backwards nowadays.

"Women over 60 can make real money, so lots of middle-aged girls, and even younger ones, are faking their ages to look older."

## Jobbie the Robot runs sewage farm

**SCIENTISTS have unveiled a robot that runs on POO.**

**The EcoBotIII is powered by battery energy collected from processed sewage at a plant in Saltford, Bristol.**

**Boffins at the University of the West of England and the Bristol Robotics Laboratory hope to build a bigger version of the robot – eliminating the need for electricity at sewage works.**

**A spokesman said: "Sewage treatment works could become self-sufficient – driving down costs."**

## 10 THINGS YOU DIDN'T KNOW ABOUT... THE SAS

**AN SAS sniper jailed for illegally possessing a pistol thanked the "great British public" after winning his appeal last week.**

**Sgt Danny Nightingale, 37, was brought before a court martial last month where he pleaded guilty to possessing a Glock 9mm pistol and hundreds of rounds of live ammunition.**

**The gun was a gift from colleagues when he was ending a tour in Iraq and Nightingale had forgotten he had it.**

**More than 107,000 people signed a petition calling for the release of the soldier, who gave what the appeal judges called "exemplary service".**

**The secretive SAS is arguably the world's best elite fighting force. Here are 10 things you might not know about them...**

**1** Founder David Stirling came up with the idea for a small team of highly trained soldiers while he was recovering from a parachuting accident in Cairo, Egypt, in 1941.

**2 After guards refused to let him approach superiors, he jumped over a fence while still on crutches, found his top brass and convinced them of his idea.**

**3** The newly formed L Detachment Special Air Services Brigade's first mission attacking a German airfield was a disaster – 42 of Stirling's 61 men were killed.

**4 The SAS is only one unit of United Kingdom Special Forces. The others are the Special Boat Service (SBS), Special Reconnaissance Regiment (SRR), Special Forces Support Group (SFSG), 18 (UKSF) Signal Regiment and the Joint Special Forces Aviation Wing.**

**5** "The Regiment" is made up of just four squadrons of around 60 men each. Each squadron is split into four troops of 16 men.

**6 The four troops have different skill sets - boat, air, mobility and mountaineering.**

**7** Each troop is further split into four patrols of four men - and each man has a particular skill like signals, demolition, medic or linguist, in addition to basic skills learned during training.

**8 Tory MP David Davies is a former member of the Territorial Army's 21 SAS Regiment.**

**9** During training candidates have to carry out the "fan dance" - a 40 mile march with full equipment scaling and descending Pen y Fan in the Brecon Beacons in 20 hours.

**10 The final selection test is arguably the most gruelling – resistance to interrogation (RTI), lasting for 36 hours.**

## WPC's a he who 'fines' car drivers

A TRANSVESTITE disguised himself as a policewoman to collect on-the-spot traffic fines from motorists.

Fabian Vasquez, 22, dressed up as a WPC and stormed into the offices of one of his victims to demand £2,500 in fines.

When the victim said he could not pay the sum the tranny crook threatened him with prison.

The man then begged his friends for help and managed to raise £1,500, but one of his pals was suspicious and rang the police.

Vazquez (*above*) was arrested and released on bail.

He then went on to pose as a female member of child services to gain access to a house and steal a smartphone.

He was tracked down by the phone's GPS system and arrested again.

A police officer in Laredo Texas said: "This time I can't see him being bailed.

"He's going down – mind you – he'll probably enjoy it."

## Teen shot dead over loud music

**A MAN who shot dead an unarmed teenager for playing loud music in his car says he was acting in self defence!**

**Michael Dunn gunned down 17-year-old Jordan Davis at a petrol station after a row over rap music blaring from the victim's motor.**

**Witnesses say he confronted the teenager and when the lad refused to lower the volume a row kicked off.**

**It was then that Dunn, 45, whipped out his gun and fired eight or nine shots – fatally injuring Jordan.**

**The shooting happened in Jacksonville, Florida where a 'stand your ground' law allows people to shoot if they feel threatened.**

**Dunn's lawyer Robin Lemonidis said: "It will be extremely clear that Mr Dunn acted as any responsible firearm owner would have under the same circumstances."**

**WITH MORGAN LEES** 24, 32E-25-34, FROM DERBY

### Dear Morgan,

AM I crap at licking out? It seems to me I must be.

The other night I spent three hours in between my girlfriend's legs trying to get her off.

I slipped my tongue into her hole and licked her love bud until I was blue in the face but she didn't climax.

I gave it the old figure of eight thing for a solid ten minutes, then gentle blowing followed by long licks. Nothing.

I even tried mouthing the alphabet A to Z. Twice!

But at the end of it, not a groan – I was mortified.

In the end I relied on my good old lad to get her off. I rubbed my stiff dick up and down her wet lips and gave her a good porking.

I had her screaming the house down in no time and was soon having an orgasm to match hers – explosive.

She thanked me for hers by giving me a fine blow job.

I only wish I could make her come through my oral skills, though.

*HT, Dundee*

**Morgan says:**
**IT sounds to me like you're worrying for nothing. Clearly your girlfriend is content with your dick, so be grateful for that.**

### Dear Morgan,

**THE wife and I have turned over a new leaf by going on a diet.**

**We'd been getting a bit set in our ways and slobbing out in front of the telly every night with pizza dinners had given us a bit of a paunch each.**

**But the change has turned the missus into a right little raver again – and kinky, too.**

**Instead of eating grub, she wants to use it in bed!**

**She announced last night that she wants me to lick cream off her naked bum before every bonk.**

**I'd do it but I fear it'll ruin my diet.**

**What can I do?**

***MM, Grampian***

**Morgan says:**
**RESIST and just cream yourself!**

# I'VE DECIDED TO STOP BONKING MY GIRL'S PAL

### Dear Morgan,

**I HAVE made a vow which I am determined to stick to – no more SHAGGING behind my girlfriend's back!**

We got engaged recently and so I reckon it's only fair that I do my bit and stop having sex with her best pal.

It all makes me out to be a complete bastard I know, but any fella reading how it started will understand my situation.

When I first went out with my wife-to-be she was incredibly shy and got her best mate to do all the groundwork, so to speak.

Well, my girl is well-fit but her mate is even better-looking.

## Incredible

We worked together in a pub at weekends, and my girl, who was then just another regular, would hang on after closing and wait for her mate to finish before going off clubbing together.

I used to chat to her and we seemed to hit it off. But she didn't seem to take the bait.

Then her mate began chatting to me behind the bar about how this other girl wanted to get off with me, so one thing led to another and we did.

But I was really turned on by the fact that this friend of hers was in on it and knew everything we were up to.

After several dates, the opportunity came for me and my new girlfriend to cut the crap and get some serious action in.

Sex with her was incredible. It lasted for hours, it seemed, and she was a real revelation.

She did a tantalising strip down to her undies and suspenders and then lowered herself onto me.

My erect nine-incher was now fully ready to go and she took pretty much the lot in her mouth as her tongue flicked around the tip.

At last I could stand no more and climbed on top of her, entering her and pumping away until I exploded inside her.

Trouble is, the next time her best pal and I were working behind the bar, I sensed her friend's attitude had changed.

She was dropping all sorts of hints about "big boy" and "hot pants" and touching my bum.

Turns out my girl had confided in her about our sex session.

This really turned me on. It was like she knew my most intimate details and I couldn't resist.

There started a sizzling affair with this girl, who got really excited by the fact that she was shagging her best pal's fella.

It was the most sensational sex I'd ever had because we did it in the open air, in the pub cellar, at bus stops, everywhere.

The thrill of illicit sex was overpowering. But now my girl and I are engaged, I decided to stop. Aren't I good?

**Morgan says:**
**I HOPE she never find out what sods you and her pal are!**

### Dear Morgan,

**EVERY year about this time my wife starts looking up the railway timetables.**

**December is the anniversary of our first meeting and 10 years on we celebrate it more than our wedding.**

**Mind you, that's no surprise. The wedding was a bit of an anti-climax as she had been bonking my bollocks off for five years and the kids made a hell of a row during the service.**

**We'll be leaving them with a neighbour and setting off for the day because it was a day trip to London that began it all for us.**

**Back then, the rest of the lads from persuaded me to go on a works outing, saying there would be some crackers from the office there.**

**Within seconds of parking my bum on the train I spotted her.**

**I got a side view which gave me a hard-on – her 38-inch boobs jutted out and her skirt rode up to show the curves of her bum.**

**When we got to the Big Smoke we did all the sights then piled into the pricey pubs.**

**I'd kept my eye on that babe all the while and was pleased to see she'd been giving me the eye while giggling with her mates.**

**Finally, over a good few drinks in a boozer near the station we got to chatting, and we hit it off great.**

**Once back on the train we were all over each other. I had my fingers in her knickers before we got to Watford and she was greedily sucking my knob under the table.**

**Every year since we've made that journey and managed at least a bonk in the toilets.**

**This time she wants us to travel separately and pretend we've never met before. She never wears knickers on our trips and says she wants me to slip it in and ride her in full view of other passengers.**

**What do you think?**

***HN, Yorks***

**Morgan says:**
**SHE'S certainly got a full head of steam up. But be careful you don't get shunted by rail cops.**

### Dear Morgan,

I CAN'T stop beating off to porn – I love it.

I've ditched bothering with all the rubbish on normal TV and now all I do is have my hefty sausage in my hand the moment I come home from work and get tugging.

Sometimes I'll w*nk myself stupid until 2am. I've even missed days off work because I can't stop bashing one off.

Am I okay?

*GW, Kent*

**Morgan says:**
**NOT exactly but it's time you took yourself in hand.**

# Wife's uniform lass has left me in a cri-SIS

### Dear Morgan,

**HELP! My wife's just caught me shagging her younger sister just as I was spraying over her boobs.**

**I love my lass, but if you saw her little sis you'd understand why I couldn't keep my dick to myself.**

**She's studying to be a nurse and I just love her uniform. One night about two weeks after she'd moved in I came home early from work to find her studying on the sofa wearing a tight, white T-shirt and a pair of white panties.**

**I could see her fanny through her knickers, and her 21-year-old arse cheeks looked good enough to eat. The wife was away on a hen weekend, and I got a huge hard-on.**

**Embarrassed I tried to cover my bulging cock, but it was too late, she had seen my erection.**

**Suddenly she turned her back to me and got on all fours on the sofa, raising her bum in the air.**

**"Go on, then," she purred.**

**Needless to say I was up her pretty sharpish. She writhed on my shaft, slowly at first, then quickly, building up speed as I f***ed her from behind.**

**I slid my hands up her T-shirt and felt her perfect breasts. Her nipples were like bullets. Soon, she let out a moan of pleasure and I felt her body jerk as she came.**

**Seconds later I pull out and soaked her panties in jizz. That was the start of the affair.**

**My missus works shifts so me and her sister found time to shag as often as we could.**

**One night she was waiting for me in her bedroom with her uniform on. She hitched it up and straddled me as I unbuttoned her and sucked hungrily on her tits.**

**Everything was going great until my lass came home early. At that moment I had eased the sister off me, turned her over and had been giving her a bloody good rogering behind.**

**As soon as I heard her reaching completion and I knew I was about to shoot my load I pulled out, flipped her round and squirted all over her boobs – exactly at the moment my wife walked in on us.**

**Now she's threatening to leave me but I still love her. What to do?**

***TJ, Staffs***

**Morgan says:**
**YOU should have though about that earlier, you rat!**

### Dear Morgan,

I'VE always been proud of my husband's muscular body and have never minded his night job – as a stripper.

He's always assured me that he has never done "The Full Monty", but a friend of mine was a guest at a hen night and told me things that really opened my eyes.

She told me that after he stripped to his posing pouch, he was thrusting his bulge in the girls' faces.

Afterwards she said she followed him to the dingy dressing room and saw him screwing a girl over a table. When they had finished, he told her: "Now you can tell your friend to come in."

My friend said she was too shocked to watch again, but she could hear panting.

He's promised it will never happen again, but can I trust him ever again?

*RK, Midlands*

**Morgan says:**
**GIVE him an ultimatum . . .he ONLY does a Full Monty for YOU!**

# Saudi men allowed to track wives by SatNav

FURIOUS women in Saudi Arabia are up in arms over new plans which will force them to be monitored by GPS tracking devices – at ALL TIMES!

Under new laws their every moment will be tracked by a device which will enable their husbands to find out where they are at any time, via text messaging.

But the move has proved controversial, with women's rights campaigners furious.

Dina Samman, a 29-year-old Saudi lawyer, said: "I feel like I am on a leash. My husband can come collect me or drag me away from wherever I am, if he wished.

"What happened to respect, trust and most of all human rights?

"It is demeaning for women such as my mother or my daughter to be spied upon and for every move they make to be reported."

Sameera Al-Bari, a 25-year-old Saudi engineering student, said: "What's next? We should have a barcode imprinted on us so we can easily be scanned."

But a Saudi government insider said: "This is perfectly reasonable.

"No sensible man would want their woman to be allowed to flit about wherever they like."

# Man tips off law over ex's dog sex lust!

By MYDRIM JONES
news@sundaysport.co.uk

**A "SEX ADDICT" mum has been accused of shagging DOGS after cops were tipped off by her disgusted boyfriend.**

The man said he was "disturbed and freaked out" after Brittany Sonnier showed him photos of people taking part in bestiality.

A police report says: "She told him that she was interested and into having sex with dogs.

"She went on to tell him that she has been having sex with their family dogs since she was thirteen years old."

Sonnier (*right*), 20, allegedly told her lover she had "vaginal and oral sex with the dogs."

And she'd TRAINED them so they "don't act strange" around others.

One of the dogs is said to be 13, the other two years old. They have not been identified by breed but are described as "medium-sized."

Her boyfriend also claimed Sonnier would have sex with anyone, anywhere at any time.

She planned to be a HOOKER so she could get paid for nookie...and even told him she was interested in INCEST.

He told her "she was disgusting" and they later broke up in Lake Havasu City, Arizona.

Sonnier has been charged with counts of "crime against nature" and will appear in court later this month.

### SEX TOYS

**PENNY:** Do you have any sex toys or are you a 'cock only' kind of girl?

**RACHEL:** I've got loads of toys. I have such a high sex drive I need it all the time. Going without it for a month is like torture for me, I feel dryer than the Sahara desert! My favourite toy is a bullet. It's a little vibrator and you use it while you have sex. It's really powerful and certainly helps you on your way. You just pop it on your finger and hold it against your clit – or against your man's bits. But if you hold it against your clit they can feel the vibrations from it when they're inside you so it's fun for both of you. How about you?

**PENNY:** I have a few toys, I think most girls do now don't they? I've got a vibrator with a clit bit on it and also some other bits and bobs like handcuffs. I read that *Fifty Shades of Grey* this year and I wouldn't mind trying a few things from that. I quite liked the scenes where he ties her up and whips her with a riding crop and then slides it over her fanny, it really turned me on.

**RACHEL:** Yeah me too – I love all that S&M stuff. Although I think I'd much rather be the dominant one than the submissive one. I'd be walking all over him in heels and sticking my stilleto up his bum. I get off on the power and knowing they are putty in my hands.

### OH NO!

**RACHEL:** Have you ever had any embarrassing moments in the bedroom?

**PENNY:** The most worthy thing that happened to me in the bedroom was when I broke my boyfriend's banjo string. I've never seen so much blood in all my life – it was everywhere! He went to hospital where they put a dressing on it and I had to get checked too. It was very embarrassing.

**RACHEL:** Oh my God! That is pretty horrific. My brother once caught me giving my boyfriend head. He'd gone out for the night so we decided to get a bit frisky on the sofa. All of a sudden he walked in to the living room and I was between my ex's legs with his cock buried down my throat! It was awful, just awful. My brother screamed and ran out. We couldn't look at each other for weeks.

**PENNY:** Ooh, crikey, that can't have been much fun either. Major awkwardness!

### WILLY SIZE

**PENNY:** Do you think cock size matters at all?

**RACHEL:** I don't think it is important for a man to have a big one, well – not massive anyway. If you like someone then you have better sex no matter what he's got in his pants. You have the closeness and what is important is you are both having a good time. Plus there's always fingers and oral sex to make up for any short falls down below.

**PENNY:** I agree. I think it's better being with someone you know because you know what works for each other. Having a one-night stand is not as satisfying – even if he does have a massive one.

### FANTASIES

**PENNY:** Do you have any kinky fantasies?

**RACHEL:** I can't believe I'm admitting this but mine is to have sex with one of my parents' friends! There is this older guy that they hang round with and he's gorgeous. I'm always having bad thoughts about him! I love the thought of being with a man, and not a boy. He's in his late fourties and oozes sex appeal. I sometimes bump into him at home in local pubs and he has a way of speaking to me that makes me melt. It's like he wealds some power over me. He'll look me up and down and say "Hello, Rachel" in the sexy drawl and I feel my knickers getting all wet. When I'm talking to him I can't stop thinking about sitting on his face!

**PENNY:** Brilliant. Mine is to have sex with two guys at the same time and have them both being totally dedicated to leasing me. I think that would be a massive turn on.

### LESBO LOVING

**RACHEL:** Have you had any girly snogs?

**PENNY:** Yeah, I've had a bit of a snog before but that's it. I don't fancy the idea of a face full of rug and minge, it doesn't seem very appealing. What about you?

**RACHEL:** Yes, I've been there. I once had a threesome with my ex-boyfriend and my best mate. It all happened when we'd had a few too many drinks but it was really good. It's a bit surreal seeing your man having sex with your best friend but very hot too. I sat there playing with myself while he went down on her. I came about five times. Then I went down on her and he slipped his cock up me from behind and f***ed me while I licked her out. I really enjoyed it – it was quite a strange taste but really sexy too. It was like the smell of sex. I can't describe it.

**PENNY:** Crikey.

### BLOWJOBS

**PENNY:** Do you like giving head?

**RACHEL:** I don't mind giving head if I'm seeing someone. I think it's nice to please them. But if it's a one-night stand I won't because all I will be bothered about is pleasing myself! But other than that I have no problems with it – I quite like giving blowjobs actually. Sometimes just thinking about sucking on a big hard cock gets me going. What about you?

**PENNY:** I like giving them because the guy gets so much pleasure from it. But I agree that you don't give them on a one-night stand. You want to share the pleasure only if it's someone special. I would never not do it because I like it when men go down on me too much. It's just the best feeling ever having a tongue flicking around down there and running over and over my clit. Actually I'm feeling a bit horny now I'd love someone to do that to me tonight.

**RACHEL:** Don't look at me, love!

### DRESSING UP

**RACHEL:** Do you like dressing up in kinky outfits to get you going?

**PENNY:** Yeah I do, I have got a sexy schoolgirl outfit that seems to get the boys going! I've got a police woman outfit too and a slutty pirate's dress which seems to go down quite well. It even has a toy parrot, but I don't think that's the bit that men like!

**PENNY:** Oh, yes, they love that. I like sexy lingerie myself. I love wearing nice underwear because it makes me feel more sexy and confident – and the guy likes it too. I just bought this really nice bright pink satin set. It pushes my boobs up so much it's indecent! I like wearing crotchless panties too.

### BUM FUN

**PENNY:** Do you like it up the bum?

**RACHEL:** I've done it with a guy I've been in a relationship with and it's okay, but not something I'd want to do every night. What about you babe?

**PENNY:** Yes, I've tried it too, but like you it's only as a special treat if you're in a relationship with someone. I don't think it's ever something I'd be doing every week – it would cost a fortune in lube for a start. You've got to have lube – it's far too painful without it!

Calls cost £1.53/min at all times. KL PO Box 288 HR1 2YJ A002

# 'Dog punch' vet caught on spy cam faces prison

A VET who was filmed punching Jack Russell dogs in the face has been struck off and now faces jail.

Adam Carter, 47, has been accused of smacking up to 12 of the pet pooches as he treated them at his surgery.

It is not thought the he attacked any other breed of dog – or any other animals.

Carter was first spotted by a colleague two years ago but claimed the beast had attacked him when challenged.

But when he was seen doing it again the colleague installed hidden cameras in the man's surgery.

Footage shows him punching every single Jack Russell that he treated.

A police spokesman for Calhoun County police in Florida said: "We take our animal welfare seriously in this state. He could be jailed for this.

"It's a bizarre case – Jack Russells are very popular in Florida as we have many pensioners and they're the perfect match for them.

"We have no idea what this man had against the breed and he's denying everything."

# 'Witch' accused of £15k frauds

**A MAN who pretended to be a witch to extort money from his "cursed" victims has been arrested.**

**Gustavo Valencia Gomez, 40, charged "sick" patients up to £15,000 after convincing them they had been put under EVIL SPELLS.**

**One victim, Maria Roesta, said he performed bizarre rituals using bloodstained eggs, worms and coal to "purify" her and cure her headaches.**

**After bank officials quizzed her, she stopped making payments to Gomez and doctors diagnosed her headaches were caused by an allergy to chocolate.**

**She said: "How could I be so stupid?"**

**Gomez has been charged by police in Toronto, Canada, with pretending to practise witchcraft, fraud, false pretences and possession of the proceeds of crime.**

**If you haven't already seen it, then you're missing out on some of the FUNNIEST real life stories and pictures the web has to offer.**

**Every week, we print a selection of their daily updates of true tales of lad life. Birds, booze, sport — you name it, *www.truelad.com* has got it covered. But don't take our word for it, check out the site yourself.**

**You're guaranteed to piss yourself... in a good way!**

PULLED an American girl (6/10) and went back to hers. The morning after, when she left the bedroom, I took the opportunity to nab a pen off the side and write "Long Live The Queen" in the corner of her US flag above the bed.

*BritishEmpire***LAD**

WENT online shopping last night and I've just realised I bought three Christmas presents for my dog but only one for the missus.

*ChristmasPresentDogLoving***LAD**

SPAT out my chewing gum, volleyed it and it went in the bin. I was amazed but by myself there was no one around apart from one **LAD** in the window of his house who had his hand over his mouth.

*Gobsmacked***LAD**

TO the Dad**LAD** who walked in on me and his daughter on the couch last night. He didn't kick me out but instead, pretended he hadn't seen and carried on his way to the kitchen to make himself a sandwich.

*OhToBeYoungAgain***LAD**

THE missus is one of five sisters and I was recently around at their house chatting to their dad. I was saying: "It must get pretty mental around here at times". And he just said: "That's why when they got to the age that any one of them could start World War III, I invested in a decent shed."

*OffToHisShed***LAD**

A MATE of mine was trying to get on to a solid 8/10 wench who we knew. She tried to tell him that she couldn't because she didn't want to ruin their friendship. To which he replied: "Friendship? I'd rather shag you once and never see you again than be your friend."

*JustBeingHonest***LAD**

MY wife laughed as I had to go to work on a nightshift last night. She said: "Enjoy work, luv, wish I was going to work too, ha ha!" What she didn't know was that I set her alarm clock for 1:30am, then hid another on top of the wardrobe to go off at 3am and one under the bed to go off at 5am! On coming in at 6:30am after my shift, I said: "Hi, did you sleep well"? She went f***ing mental at me – but it was worth it!

*LovesHisLaughingCow***LAD**

I WAS being wingman for my mate on Saturday night and he spotted a girl (8/10) in a group of eight girls. So I said I'd talk to her for him. I went up to the bar, waited around awkwardly for her to stop chatting, and her mate (7/10) started talking to me. My mate reversed the favour and came up to me to ask for a photo because "I'm famous".

*TwinWingmen***LAD***s*

JACK Whitehall on Graham Norton's show said he went to a fancy dress as a chicken once, got pissed up and stormed into a chicken takeaway place – demanding his children back!

*WhitehallHasAGoodGagShock***LAD**

ON Saturday, after travelling for five hours to see magnetic man and the best**LAD**, he got turned away for being too drunk. Without a second thought I followed him out and had a cracking night in Bristol, which included wingmanning a random **LAD**. Thanks for the wicked night and I know you would do the same for me.

*NeverLeaveA***LAD***Behind*

A FEW of my pals set up a dating website. They made up a fake woman and posted her identity on the site. After a few days they got some attention from a few **LAD**s and had 16 of them all waiting outside the local cinema – all wearing white shirts (she said online that she loved a **LAD** in white shirt). They waited for more than 30 mins without realising it was a white shirt set-up!

*ShiteShirt***LAD***s*

READ TRUE LAD EXPLOITS EVERY WEEK IN YOUR SUNDAY Sport

I PULLED on a night out. The next day I got a text off the girl asking if I was still going to take her on the date as promised. The problem was I had no memory of what she looked like or any promise made. So I took a gamble and agreed to pick her up and take her out. I arrive on the girl's street and as I approach her house I slow down. Standing at the window is what can only be described as a beached whale and someone who is not nutritional challenged (2/10). So I quickly make the decision to drop a gear and go.

## Your stars with Britain's

**CAPRICORN (22 Dec – 19 Jan):** You may enjoy a brief revival at work and are widely regarded for your dedication. All the same, a sudden and inexplicable decision at the start of the working week could be considered as a betrayal. In reality, it is your duty to protect your position, even if it means breaking a few rules. For more private reasons, a great deal of soul searching is needed, and your absence is notable. In any case, a moral victory is indicated, and it's certainly something you can live with.

**AQUARIUS (20 Jan – 18 Feb):** In some ways, others may envy your new found happiness, and you shouldn't be distressed by their actions. True, because the Sun is opposed by Jupiter on Monday, a personal quarrel could leave you feeling upset for those who sad to say are losers in love. How you handle an awkward situation emotionally or involving a close friend is up to you. However, you cannot afford to be placid or too passive. The aim is to win over the faithful, even if it makes you unpopular.

**PISCES (19 Feb - 20 Mar):** A major alteration of some kind is indicated – and it's the kind of move that could make others bristle. But personally, professionally or at home, what occurs as this week commences may seem deplorable. In truth, you have enough influence or power – not to mention favour – to win this particular battle. As it is, you are ultimately responsible for your own future, which as it happens is considerably brighter than you imagine. All you have to do is keep up appearances.

**ARIES (21 Mar - 19 Apr):** All forms of communication, and to some extent travel arrangements, are highlighted in an unbelievable way. Of course, you could make alternative plans and go precisely where you want. Bear in mind that the Sun is challenged by Jupiter on Monday, and may only be partially free. Despite all the disruptions – some significant, others not – there is no doubt that a fateful meeting will leave you all starry-eyed. Most of all, a change of scenery is highly recommended.

**TAURUS (20 Apr - 20 May):** You may be nothing more than an observer, or are experiencing some sort of private trauma. On a brighter note, what comes to light as the working week begins is especially intriguing, and there might be a few ripples beneath the surface. At any rate, your faith is about to be restored in an amazing way, even though you fail to see how current events are plausible. Expect the weird and the wonderful to happen, and welcome a break from the past.

**GEMINI (21 May - 20 Jun):** At times, partners or certain people are inclined to speak and act negatively, and usually you might be expected to retreat. As it is, there is a tendency to be a bit reckless and not respect others' wishes. Remember that the Sun is directly opposed to Jupiter in Gemini, and as far as one relationship is concerned, this is the moment of truth. Having said that, what you decide to do at the start of the week is your way of confronting situations, and it is an audacious feat.

**CANCER (21 Jun - 22 Jul):** There is so much going on behind the scenes or behind closed doors, no wonder you are feeling confused or uncertain of the future. However, what you learn or discover as the week gets underway is a moment of pure revelation, and from your understanding a major alteration has to take place now. No doubt you will experience a rare kind of wellbeing, and are in a far more powerful position than you realise. You just have to learn when to let go.

**LEO (23 Jul - 22 Aug):** What is happening in your very personal life may be especially heart wrenching – though you yourself will soon experience the kind of happiness and joy you desire and deserve. With the Sun in Sagittarius challenged by Jupiter in Gemini on Monday, this is not the sort of gathering you expected, and if anything this is reminiscent of what took place about six months ago. However, you are sure to side with someone who is fiercely loyal, and not merely a fairweather friend.

## HAS JUSTIN TOPER BEEN SPOT ON WITH YOUR STARS? – HE WAS FOR THIS READER...

MY wife and I would like to thank you for keeping our relationship together.

We'd been having quite a few rows and it was all getting a bit more than either of us could handle, to be brutally honest.

Whatever we did seemed to get on each other's tits, I'm sure you and many readers will know what I'm talking about.

Anyway, your stars last week suggested it was the perfect time to make peace gestures, and that the planets were best placed to make sure things worked out in that respect.

Well, I've absolutely no idea about the science behind it all – all I know is it worked, and that we owe you one. Thanks, mate.

**VIRGO (23 Aug - 22 Sep):** The Sun-Jupiter opposition on Monday will show precisely what can or cannot be achieved. However, you will receive some recognition if you focus on your own ambitions. What is happening on your doorstop or on the work front is supposed to diminish your position. In fact, you could change your entire future with one magisterial effort, even if this is a mixed blessing for your career. Personally, you can expect more attention than you would otherwise.

**LIBRA (23 Sep - 22 Oct):** This is bound to be an action-packed if not frenetic time, and onewhen there is so much emphasis in your chart on travel and movement. Admittedly, with the Sun at odds with Jupiter as this week begins, you can expect a sudden change of plan or temporary breakdown in communication. Aside from that, news from a distance will be duly noted, and it will be impossible to keep up with you once you decide that your happiness lies elsewhere – and the further, the better!

**SCORPIO (23 Oct - 21 Nov):** This is a decisive time for matters related to your earnings or financial security. Of course, you knew there had to be a day of reckoning, and by the looks of things Monday is it! Even if you have to pay a hefty price, pay it and be done with it. Chances are, new offers and opportunities will come in, and you won't be struggling to make ends meet. Luckily, an important agreement will be reached this week, even if it leads to more excess. You only live once.

**SAGITTARIUS (22 Nov - 21 Dec):** Matters of a personal nature are much more pressing than usual, and it seems that you have misread situations. However, a tense link between the Sun in Sagittarius and Jupiter in Gemini on Monday will more than likely defuse things and enable you to get to the heart of the matter. As for one relationship, what is announced as this week begins is a serious understanding. In a way, it gives you free licence to pursue another person – with arms wide open!

# YESTERDAY'S RU ACTION

TRY TIME: Ashton splashes down for his try, while Farrell *(inset)* sizes up a kick at goal

**ENGLAND 38**
**NEW ZEALAND 21**

# Stu's heroes give Blacks a thrashing

**ENGLAND'S young men came of age at Twickenham with a sensational victory over world champs New Zealand.**

Owen Farrell kicked England into a 15-0 lead before the All Blacks hit back with two tries in three second-half minutes from Julian Savea and Kieran Read.

Twickenham sensed the worst as a third defeat to a southern hemisphere rival looked in the offing.

But England hit back with a stunning three-try blitz from Brad Barritt, Chris Ashton and Manu Tuilagi.

The All Blacks had not lost in 20 matches.

They had not lost an autumn Test for a decade – since England beat them in 2002.

That England team went on to win the World Cup a year later.

Stuart Lancaster's current team are at the opposite end of their development, having fewer caps in their line-up than New Zealand had in their front row.

The team's character had never been denied but their maturity and ability to turn positive displays into results had been questioned after defeats to Australia and South Africa. No longer. England rocked the All Blacks.

New Zealand were hit by a vomiting bug in the week. But not as hard as they were hit by England.

## Sparked

Dan Carter missed two straightforward penalty shots to give a hint that it wasn't to be the All Blacks' day.

Farrell kicked three penalties and a superb drop goal to put his side 15-0 in front by half-time. But New Zealand sparked the comeback when they won a line-out and spread the ball to the other flank, where Savea beat four defenders to score.

Suddenly the All Blacks had their tails up.

Farrell failed to find touch and Israel Dagg started a move which saw Read crash over.

Tuilagi engineered the incredible respsonse.

He swapped passes with Barritt for his centre partner to go in. He then crashed through two defenders and his perfect pass sent Ashton searing over the line for his first try in 12 Tests.

Tuilagi picked off a loose pass from Read to gallop 50 metres for England's third try in eight minutes.

Replacement fly-half Freddie Burns wrapped up the victory with two penalties, while Savea grabbed a late consolation try.

# BEALE ENJOYS A SNATCH

WINNING TRY: Beale

**WALES 12**
**AUSTRALIA 14**

**WALES were condemned to an autumn series whitewash after Australia fly-half Kurtley Beale broke their hearts at the Millennium Stadium.**

**Beale scored a try with 26 seconds left to deny the Welsh victory and drop them outside the world's top eight teams ahead of the Rugby World Cup draw on Monday.**

**Leigh Halfpenny looked as though he had done enough to claim a priceless victory with four penalties, but Beale, who'd earlier claimed a penalty hat-trick, had other ideas.**

**Wales have now lost seven Tests in succession – eight on the bounce to Australia – and they will be a tier three nation for the draw, potentially meaning a group of punishing proportions.**

**Wales produced their best display of the autumn in head coach Warren Gatland's last match at the helm before he begins full-time preparations for heading up next summer's British and Irish Lions tour to Australia.**

**And his players almost did enough to give him a quality send-off, but they could not keep Beale quiet during the frantic closing stages.**

# STUPID PUNTS

BROUGHT TO YOU IN ASSOCIATION WITH StanJames.com www.stanjames.co.uk

JUST when you thought you'd heard the last of Joey Barton he starts talking like a demented Inspector Clouseau.

And, despite being exiled in France, the nasty little toe rag is back in the news over here.

But at least for once the only thing criminal about the vicious thug was his ridiculous attempt at a French accent.

I bet Sky are annoyed that they spent the cash on a third series of *An Idiot Abroad* when they could have just got a camera crew to follow Barton around.

## Hilarious

I'm not sure what's more embarrassing, his dodgy patter or his belief that he still has a decent football career.

It's not the first time the cocky thug has been spotted speaking in daft tones at a press conference.

After all, he is a Scouser.

But his hilarious effort at a French drawl made Steve McClaren's attempt at Dutch look like the former England boss

TALKING CRAP: Barton

was born and raised in Amsterdam.

Once again Barton proves there's more than one arse in "Marseille".

Though he could be quids in if the BBC ever want to do a remake of *'Allo 'Allo*!

## EXPERT TIPSTER JOHN WARD HELPS YOU BEAT THE BOOKIES

StanJames.com BETTING

**NEWCASTLE v WIGAN**

Newcastle – Evs
Wigan – 14/5
Draw – 12/5

The comedy press conference came in the week the deluded player claimed he was "too intelligent" to be a footballer.

That's a bit like Rylan claiming he's too good a singer for *X Factor*.

Barton's former club Newcastle could do with a boost after a terrible recent run and I reckon they'll get three points on the board against Wigan tomorrow.

## Is he coming Beck?

**WHEN there were rumours about David Beckham moving to Oz next season I thought that would be a good idea and he should go and ask the wizard for a brain whilst there.**

**He is, however, more likely to move to French second division outfit Monaco – but I reckon that wheeler dealer Harry Redknapp can still convince him to end his career in England at struggling QPR.**

StanJames.com BETTING

**BECKHAM'S NEXT CLUB**

Monaco –13/8
QPR – 11/4
Paris St Germain – 7/2

## HATT'S YER LOT

CARLSBERG don't do comebacks – but I'm guessing if they did, Ricky Hatton wouldn't be part of their advertising campaign.

It was a sad sight to see the once great boxer on his knees. Wimbledon FC were once a great club and I'm hoping AFC, the team spawned after the club was moved to Milton Keynes, will pull off a shock result in the FA Cup.

***"I asked a friend if he wanted go to a strip club to watch ladies dance naked. He misunderstood and was arrested for indecent exposure before we even got to the club.***

***"Anyway, the quality of dancing on Strictly has been high this year and I reckon early favourite Louis Smith is still the one to go for."***

OUR top pundits go head to head each week to see who is the King Of The Punts.

We give them £50 each to have a flutter on a major sporting event of the weekend and then keep a running tally on how they do.

This week they are taking their chances on today's Hattons Grace Hurdle at Fairyhouse.

## Henn party for Henderson

BOBS YER UNCLE: Bobs Worth leads them home in the Hennessy

**BOBS WORTH was an impressive winner of the Hennessy Gold Cup at Newbury yesterday.**

By STEVE MULLEN at NEWBURY

And trainer Nicky Henderson immediately turned his attention to Cheltenham for this rising star of the chasing game.

Last year's RSA Chase winner at the Festival was given a brilliant, patient ride by Barry Geraghty who stalked the leaders until turning for home.

He then eased his mount into contention and backers of the 4-1 favourite didn't have a moment's worry as he came home with plenty in the tank.

Tidal Bay was a solid second with First Lieutenant third and The Package in fourth – but they were all playing second fiddle in a race that is usually one of the most competitive of the season.

A thrilled Henderson said: "He was always thought to be the classiest horse in the race and in a way he had to win it, but I am mighty glad that he has.

"He is so tough and he's owned by a bunch of my oldest mates, so this is for them more than anything.

"From now on it's a matter of plotting a gentle path to Cheltenham for the Gold Cup.

"I don't think Kempton is his track, it's a matter of how we get there. One run would do me to be honest with you."

Geraghty has ridden many great chasers and he is excited about the future for Bobs Worth. He said: "He loves it, he really does.

"He's not overly big and you can't ask too much during the race. You just have to let him build and build.

"I was under the collar a lot of the way, but I knew going to the last I had plenty of horse.

"He has a very good pedigree of Jim Bolger's and I bought him as a yearling with my brother.

"He was not far from the top there. He loves Cheltenham and he loves it round here."

Bobs Worth is now favourite for the Cheltenham Gold Cup, with some layers chalking up just 7-2 for the big race.

Most high street firms are offering 5-1 that he'll take the chasing title in March, with former jolly Sir Des Champs now 6-1.

## STEVE LILLIS' KNOCKOUT BOXING COLUMN

MAKE MINE A DOUBLE: Purdy wants a crack at Kell Brook *(left inset)* if he takes care of Carson Jones *(right inset)*

# PURDY: I'LL GIVE FANS KELL!

**FORMER unlicensed brawler Lee Purdy is sensationally on the brink of world title glory.**

The Commonwealth welterweight champion will gatecrash the world rankings if he upsets quality American Carson Jones at London's Olympia on Saturday.

And that could mean challenging Kell Brook, who narrowly defeated Jones on points in the summer.

Brook challenges Devon Alexander for the IBF world welterweight crown next month – and a victory for the Sheffield man in Las Vegas could set up the Purdy clash.

Purdy, 25, was persuaded to turn professional after hammering fully grown men when he was a teenager fighting for a few quid on boxing's underground circuit.

The Essex scrapper said: "Fighting Brook would be massive for the British public if I can do a number on Carson.

"No doubt Brook would want to fight me as well if I take Carson out in good style, because he'll want to show to the public that he wasn't at his best in that fight.

"In the first half of the Brook fight he hit him at will and pushed him back. I believe I punch harder than Brook and that I'm stronger.

"When I hit Carson he's going to realise he's in there with a massive puncher."

On the same bill former European middleweight champions Darren Barker *(below)* and Kerry Hope clash in a crossroads 10-rounder.

Injury-jinxed Barker hasn't boxed since losing in 11 rounds to the world's No.1 160lb boxer Sergio Martinez 14 months ago.

If he lost to the Welshman he would almost certainly quit – and many are wondering if he has anything left.

He said: "I suppose I'm asking myself that question as well, which is most important.

"I look forward to proving to myself and to the people that I've still got it.

"I'm a young 30 and if I look at some of my rivals in the division, the likes of Matthew Macklin, he's the same age as me but he's had a really tough career.

"I haven't and I have some miles left in the tank.

"When I think like that, I think of the future being really bright."

## Pacman's up four showing he's still Juan of the best

**MANNY PACQUIAO claims he made a fourth fight against great Mexican rival Juan Manuel Marquez to prove who is boss.**

**The pair have clashed three times – the first ending in a draw followed by "Pacman" winning a close verdict.**

**When they met again last year most experts had Marquez ahead, but Pacquiao *(left)* won by a majority verdict.**

**They face off again in Las Vegas on Saturday and Filipino star Pacquiao said: "I decided to take on Marquez again because we need a fourth fight as he's always claiming he won the last one.**

**"If it's possible, if there's a chance to finish the fight, then yes, I'll take it.**

**"I'm not going to predict a knockout, but I'll do my best to show the aggressiveness I had when I was younger."**

TODAY IN THE CHAMPIONSHIP

# Under-fire Jones expects no mercy on Cardiff return

**CARDIFF v SHEFFIELD WED – 3pm**

DAVE JONES doesn't expect any favours from Cardiff as he battles to save his job.

Sheffield Wednesday boss Jones is on the brink with the Owls in the bottom three and looking at a swift return to League One after five straight defeats.

The Scouser's old club Cardiff can stick the boot in by earning three points to keep up their promotion push.

Jones is braced for a tough time on his first return since he was axed by the Welsh club 18 months ago after leading them to the FA Cup final and the Championship play-off final – only to lose both.

GOOD TIMES: Jones

### Knocks

"I was there for six years and had a lot of success and some good times," said Jones.

"But it wouldn't matter if I was there for 20 years because all I want is three points for Sheffield Wednesday.

"They're the club that I work for, who employ me to do a job, and that's my only concern."

Jones could be without Lewis Buxton, Anthony Gardner, Rhys McCabe and Jay Bothroyd, who all picked up knocks in the midweek hammering by Watford.

Malky Mackay wants Cardiff fans to pay tribute to former boss Jones.

"To be at a football club for six years is a long time," said Mackay.

"He oversaw the move from Ninian Park to the new stadium. He took them to the FA Cup final and the play-offs. That's a good achievement."

Cardiff defensive trio Ben Turner, Kevin McNaughton and Andy Taylor are available again after injury.

# Murphy vows to leave loyal derby fans Roverjoyed

**BURNLEY v BLACKBURN – 12.30pm**

DANNY MURPHY wants Blackburn to repay their fans' faith by stuffing their local rivals.

Rovers travel to Turf Moor to face Burnley in a bitter Lancashire derby in what will be a hostile atmosphere.

Midfielder Murphy wants a response after Henning Berg's side lost their derby with Bolton in midweek to put some smiles back on faces of Blackburn fans.

"The bad performance against Bolton is something we want to forget and make amends for," said Murphy.

DEBT: Murphy

### Boost

"It wasn't acceptable, so we owe the fans one for that and Sunday is a big opportunity to do that.

"I've not been involved before but it is a game I've heard a lot about, so I'm really looking forward to the big derby and the atmosphere it brings.

"For me and the rest of the team it would be a huge boost and a thank you to the supporters for sticking with us.

"In terms of what the game means to the Blackburn supporters and the people in the area, it is a massively important thing.

"They deserve some happiness and beating your local rivals always makes you happy."

Burnley boss Sean Dyche wants his underdogs to show some bite.

He insisted: "We're the slight underdog in terms of laymen looking at the game, but we all know how many times the underdog comes out on top.

"Never underestimate the loud bark of a dog that is looking to prove a point."

# Matt impressed by Turn-around

## OLD BOY FLYING HIGH WITH CANARIES

HE'S TURNED A CORNER: Michael Turner has found his form after a tough time since joining Norwich from Sunderland

**MICHAEL TURNER has been hailed for the way he's turned around his nightmare start at Norwich.**

The big City defender faces his old club Sunderland four months after sealing a £2million switch from the Stadium of Light.

Ex-Hull centre-back Turner couldn't have got off to a worse start with stinkers in five-goal wallopings by Fulham and then Liverpool to leave fans wondering why boss Chris Hughton had splashed out so much on the 29-year-old.

But after that shaky start, Turner has begun to get things on an even keel, forming a solid centre-back partnership with ex-Tottenham defender Sebastien Bassong.

It saw the Canaries ship just one goal in five games before Turner was ruled out of the last two matches with a shoulder problem.

He hopes to recover in time to face his old pals as Hughton's men go in search of an eighth game unbeaten in front of another Carrow Road full house.

### Crank

Black Cats defender Matt Kilgallon said: "It'll be good to see Michael again, he was a popular lad with the rest of the squad.

"He had a hard start down there but he believed in himself and he's come through it. All credit to him, he's playing really well now."

Sunderland have won just twice in 21 Premier League games to crank up the heat on boss Martin O'Neill.

They go in search of rare back-to-back away wins as they look to build on the 3-1 victory at Fulham last month.

Kilgallon – who will again stand in for the injured John O'Shea – added: "Norwich are on a good run, but we're doing alright on our travels and we're buzzing ahead of the game."

TOON 'N GLOOM: Papiss Cisse has just two league goals this season

# GIVE ME CISS OF LIFE

## Struggling Pap begs mates to help him end goal drought

**PAPISS CISSE reckons it's not just his fault that his goals have dried up at Newcastle.**

Toon's £9million striker took the Premier League by storm after arriving from Freiburg in January, with a stunning 13-goal return in 14 games to fire the Geordies into Europe with an impressive fifth-place finish.

It's been a different story this time round with a modest tally of four, including just two in the Premier League – and he knew nothing about one of those as it deflected off his arse in the lucky win over West Brom.

After his goal in the 2-1 midweek defeat at Stoke – struggling Toon's fourth in a row in the league to see them edge towards the relegation scrap – the African ace is confident he'll soon be back on the goal trail.

### Unfair

But he reckons it'll only happen if he gets a helping hand from his team-mates.

"I don't know why I haven't scored as many goals this season. Maybe there haven't been as many opportunities," said Cisse.

"It's important to work hard to improve as a team to rediscover the form of last season.

"I hope I can continue to score, but the most important thing is that the team wins."

Wigan boss Roberto Martinez reckons the Africa Cup of Nations is stopping some players from being stars in the Premier League.

**NEWCASTLE v WIGAN**
**Tomorrow, 8pm – Sky Sports 1**

The Spaniard *(above left)* is preparing to face Newcastle but is worried about losing star front-man Arouna Kone, 29, in January to the Africa Cup of Nations.

"If you're going to sign a player in January and lose him for the first four weeks, you'll look elsewhere," Martinez said.

"That's a disadvantage to players who represent their countries in that tournament, which is unfair.

"Managers will think that if you're going to lose a player then it's an extra consideration and it goes against African players getting to the Premier League. That's a real shame."

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

GOOD news *'Allo 'Allo!* fans – the hilarious hit BBC comedy about wartime occupied France is back with a brilliant new cast.

Early indications are that the hapless British airmen with their stupid fake foreign accents will be played by Steve McClaren and new vocal talent Joey Barton, with Rafa Benitez taking the role of Renee.

# New Champions League format?

FOOTIE FLASHBACK

DECEMBER 2004

HARRY REDKNAPP *(below)* takes over at relegation-threatened Southampton, just two weeks after leaving arch rivals Portsmouth.

AFC Wimbledon's 78-game unbeaten record ends with a 2-0 defeat to the mighty Cray Wanderers.

# Eur havin' a laugh...

IT looks like the terminally boring Europa League will soon finally be put out of its misery.

Since they introduced the latest ridiculously overblown format it has proved as popular among managers as an inspection by the taxman.

I think they they missed a trick. Instead of simply providing another pointless mini league competition, they could have gone for a straight single-leg knockout.

That would have provided excitement from day one but not been a distraction from domestic competitions.

The same streamlining has partially saved our own League Cup, which, while still not what it was back in the 80s, has at least regained some credibility lately and is often the best chance some managers will get to save their overpaid arses.

So what do Michel Platini *(right)* and co have in store for us once the Europa League is wrapped in an old bin liner and stuffed in a corner of the UEFA loft along with the UEFA Cup and Cup Winners Cup?

That's right, an expanded 64-team Champions League competition which may, I understand, include SEVEN English teams.

What it amounts to is bringing us a step closer to the European League that UEFA have been slowly drip-feeding us for the last two decades.

The aim seems to be to take one of the finest club cup competitions in the world and create a tournament that truly represents UEFA: Bloated, devalued, largely uninteresting and ultimately pointless.

## HERBERT GOES BANANAS!

SOME more pure gold from Peter Herbert this week: He wants matches to be abandoned if there are incidents of racist chanting.

Yes, I can see that working when a team is 3-0 down in a vital relegation clash, needing a point to stay up and fancying a rematch.

## MERV'S FACT HUNT

LAST week I asked who is the only person to captain England and manage a team in a European Cup final? The answer is Jimmy Armfield (Leeds 1975). This week's Fact Hunt is: Who is the only player to score a hat-trick in the Premier League, Championship, League One, League Two (or the divisions under their previous names), the League Cup, the FA Cup AND for his country? **Anthony Knockaert fed Jamie Vardy and he played in his strike partner to finish.**

**Leicester were given a scare when Theo Robinson pulled one back seven minutes before the break after racing onto Michael Jacobs' through-ball.**

**But Nugent sealed the win with a late brace.**

**Koren sent Lee Camp the wrong way from the spot after Simon Gillett fouled David Meyler.**

**Two minutes before half-time James Chester upended Sharp, who thumped in his spot-kick.**

**Forest's Adlene Guedioura went close before Hull won it when Meyler's corner appeared to fly straight into the net, although McShane claimed the final touch.**

HEADS I WIN: Soaring Murray powers Crystal Palace ahead

**CRYSTAL PALACE went back to the top of the Championship as they easily saw off 10-man Brighton.**

Former Seagull Glenn Murray scored twice and Owen Garvan grabbed the other after Lewis Dunk was sent off in the seventh minute and the Eagles were given two second-half penalties.

With Cardiff not playing until today, it meant Palace returned to the top of the table.

And red-hot Murray now has 17 goals in 16 league games this season.

The tone was set by Dunk's early dismissal. The centre-back miscontrolled Bruno Saltor's pass on the edge of the box and then hacked down Yannick Bolasie as he drove down on goal, leaving referee Mick Kendall little option but to brandish the red card.

Garvan struck the crossbar from the free-kick and Palace dominated the game from then on.

**CRYSTAL PALACE 3**
**BRIGHTON 0**

### Havoc

Bolasie was their best outlet, twice forcing Tomasz Kuszczak into saves before his corner was headed home by Murray.

Brighton should have been level less than a minute into the second half. Ashley Barnes robbed Wilfried Zaha on the half-way line and played Craig Mackail-Smith in on goal, only for the Scotland international to hit the outside of the post.

It was the only piece of action Brighton fans had to cheer all afternoon as soon Palace scored again.

Bolasie again caused havoc and when he was tackled on the edge of the box, the ball fell to Murray who was brought down as he rounded Kuszczak.

The in-form striker got back up to send the keeper the wrong way from the spot.

Gordon Greer's push on Murray gave Palace another penalty on 71 minutes.

Despite being on a hat-trick, Murray let Garvan take the kick and he scored in the bottom right corner.

## Becc ends derby pain

LUCIANO BECCHIO ended nearly 50 years of hurt in Huddersfield with two fine goals in a pulsating derby clash.

He rifled his first into the top corner from 20 yards as Leeds came from a goal down to win in Huddersfield for the first time since October 1963.

Becchio then sealed victory with a header into the roof of the net four minutes from time.

Chris Atkinson, back from a loan spell at Chesterfield, had Town 1-0 up on 12 minutes from close range.

Leeds, seeking a third straight league win for the time since December 2010, were level when Town keeper Alex Smithies allowed Michael Tonge's tame effort to slip underneath him. Becchio's first made it 2-1, but then the striker fouled Anthony Gerrard in the box to concede a penalty.

Former Leeds man Adam Clayton – transfer-listed and then sold by Neil Warnock in the summer – scored from the spot and then ran half the length of the field to celebrate in front of his old boss.

Both sides had chances in the second half, but Leeds finished the stronger, with David Norris making it 3-2 on 70 minutes before Becchio sealed a famous win.

**Town's DJ Campbell levelled from the spot on 70 minutes after Tyrone Mears felled sub Daryl Murphy.**

**Bolton paid the price for not building on a stunning opener from Mark Davies – the midfielder's fourth goal of the season thrashed home from 20 yards.**

**Kevin Davies could have helped himself to a hat-trick but the veteran striker was denied by keeper Stephen Henderson.**

**It kept Mick McCarthy's men in the hunt and Campbell punished them from 12 yards before Chopra sealed the comeback.**

## Tame Lions still 13 unbeaten

**MILLWALL 0**
**CHARLTON 0**

MILLLWALL extended their unbeaten run to 13 games, but they failed to find a way past London rivals Charlton.

The Lions dominated but Charlton stood firm to take their unbeaten run to six games.

Charlton keeper Ben Hamer denied Andy Keogh from long range, while Millwall sub Dany N'Guessan's header was cleared off the line.

In front of 18,013, Millwall's biggest crowd for 10 years, the Lions felt they should have been awarded a penalty when Leon Cort appeared to handle inside the box.

But referee Dean Whitestone waved away the appeals as the Addicks continued to hang on under intense pressure.

Adam Smith's fierce drive flew just wide of the post and Cort was forced to block Chris Taylor's effort late on, but Charlton held out.

**PETERBORO 1**
**BLACKPOOL 4**

**THOMAS INCE enhanced his growing reputation by scoring twice and making another goal for Blackpool.**

**Norwich boss Chris Hughton watched on as Ince – who is also wanted by Liverpool and Manchester United – inspired the Seasiders to their first win under manager Michael Appleton after four draws.**

**Isiaha Osbourne fed Ince *(below)* who chipped to the far post for unmarked Wes Thomas to nod in from a couple of yards out six minutes after the break.**

**Substitute Nouhan Dicko bundled in an Angel Martinez cross before Ince hit a brilliant fourth late on.**

**Dwight Gayle pounced on a mistake by Alex Baptiste for Posh's consolation.**

## Doyle's double decker

**BRISTOL CITY 1**
**WOLVES 4**

KEVIN DOYLE led a first-half goal blitz to lift the pressure on Wolves boss Stale Solbakken.

An own goal by Neil Danns, who deflected in a Stephen Ward cross-shot, gave Wolves a 21st-minute lead.

And Doyle doubled it by bundling in a 25th-minute cross from Bjorn Sigurdarson.

Bristol City were put to the sword as Doyle ran 40 yards to score with a clinical low finish.

And just before the break Sigurdarson added the fourth with a low drive.

City replied with a 30-yard shot from Danns on 85 minutes, but they were guilty of poor defending and were lucky to escape an even heavier beating.

Roger Johnson hit the crossbar from a second half corner as Wolves continued to create chances at will.

**WATFORD 4**
**BARNSLEY 1**

**TROY DEENEY struck twice as Watford made it four wins in five games.**

**The Hornets went ahead on 10 minutes when Deeney *(below)* netted his seventh goal of the season from a Mark Yeates corner.**

**Watford got their second on the board on the hour when Yeates slotted home from a tight angle to pile more misery on struggling Barnsley.**

**Deeney netted his second of the game when he expertly slotted home from a 65th-minute free-kick after the Barnsley defence dozed off.**

**Matej Vydra blasted in a penalty seven minutes from time to seal victory.**

**Despite a late goal by Barnsley striker Marcus Tudgay deep into stoppage time, the victory was deservedly earned by Gianfranco Zola's side.**

SWAN TO REMEMBER: Michu is mobbed after his second goal clinches it

# MICHU GIVES ARSE A GOOD SPANKING

**ARSENAL 0**
**SWANSEA 2**

ARSENAL fans gave Arsene Wenger and Co the full Rafael Benitez treatment after Michu's late double gave Swansea a deserved win.

The Welshmen out-passed and out-classed the sorry Gunners, who looked Championship rather than Champions League.

Swansea created chances from the first whistle, with skipper Ashley Williams seeing the first blocked.

Then the Gunners had keeper Wojciech Szczesny to thank for a double save to deny Angel Rangel at the back post after a move that deserved a goal.

And they missed another great chance to open the scoring when Michu beat Per Mertesacker in the air to send Nathan Dyer away, but Thomas Vermaelen slid in at the last moment and deflected his shot over. Arsenal chances were rarer than rocking horse poo, but when one eventually arrived Gervinho put a free header so wide it almost hit the corner flag.

The home fans unleashed a torrent of abuse on the half-time whistle – which was the first time they had made a noise.

Swansea survived a penalty shout early in the second half for Chico Flores' block on Gervinho.

Santi Cazorla, having failed to con ref Mark Clattenberg into awarding a penalty with a terrible dive, then trundled a long-ranger at Swans keeper Gerhard Tremmel. Rangel fired a reply into the side-netting before the Gunners made a double substitution and sent on Alex Oxlade-Chamberlain and Olivier Giroud.

Ki Sung-Yeung's poor back-pass almost put Giroud in but Flores got there to nick the ball away.

Szczesny did well to deny sub Dwight Tiendalli before Michu caught them twice on the break to conjure up a famous victory.

Sub Luke Moore put him through for the first before Dyer caught Carl Jenkinson in possession to set up the second.

On both occasions there wasn't a red and white defender in sight as the Spaniard strolled through.

The final whistle was greeted by furious boos from the home fans – and whoops of joy from the away end.

WINNER: Whitehead

# All White in the end as Potters nick it

**WEST BROM 0**
**STOKE 1**

DEAN WHITEHEAD'S late goal ensured Stoke's perfect Premier League record at West Brom continued as Steve Clarke's decision to rotate his Europe-chasing squad backfired.

With this being Albion's third game in eight days, Clarke opted to make six changes.

Yet the gamble failed as the Potters ground out their first top-flight away win since January.

It continued Tony Pulis' side's incredible record at the Baggies' ground – they have now won all four matches there, scoring seven without reply.

After four straight wins the Baggies have now had back-to-back defeats, seeing them slip to fifth and leaving doubts over whether their start was just a flash in the pan.

No one came closer to a first-half goal than Kenwyne Jones in the 14th minute when he headed Geoff Cameron's diagonal delivery inches past the far post.

## Smash

Robert Huth was booked for an ugly forearm smash on Shane Long just inside Albion's half.

Incredibly, it was from there that the home side almost got a goal as Reid's quick thinking nearly caught Asmir Begovic off guard.

The right-back unleashed a raking free-kick which was heading for the top corner until Begovic intervened.

It was no surprise when Clarke called on his cavalry and Romelu Lukaku and Peter Odemwingie came on.

But Stoke had their goal on 75 minutes when Michael Kightly drove a low ball across the area and there was Whitehead to divert the ball into the back of the net.

# It's heaven and hell for Fell!

HAIR-RAISER: Fellaini is all smiles despite conceding a penalty – but City boss Roberto Mancini *(inset)* isn't so happy

**MAROUANE FELLAINI was the hero and villain as Everton extended their Etihad hoodoo over City.**

Fellaini put the Toffees ahead with his eighth goal of the season – then gave away the spot-kick that allowed Carlos Tevez to equalise.

Roberto Mancini's side have now beaten their blue rivals only once at home in the last six attempts – and they've lost four of those.

City boss Mancini sprung a surprise by picking Joleon Lescott. The former Everton defender has been kept out recently by teenage summer recruit Matija Nastasic.

And David Moyes admitted on Friday he'd be happy to take the England centre-half back on loan when the transfer window opens next month.

City suffered an early set-back when Aleksandr Kolarov, preferred to midweek choice Pablo Zabaleta at left-back, limped off six minutes in. Tim Howard and Edin Dzeko both needed treatment after Maicon drifted in a teasing cross that had the Everton keeper at full stretch.

**MANCHESTER CITY 1**
**EVERTON 1**

But Howard's next call of duty didn't go so well as the Yank keeper punched a swirling free-kick from David Silva.

The ball was only half-cleared but when Silva swung in a cross from the right, Sylvan Distin did just enough to put off Carlos Tevez.

## Plunge

Maicon had his hands full with the partnership of Everton duo Steven Pienaar and Leighton Baines down his flank, the pair working well without reward.

Fellaini had made a quiet start to the game – but that changed after 33 minutes when Everton took the lead following a superb cross from Baines. Vincent Kompany's attempted clearing header just skimmed the ball on to Fellaini at the far post.

His header was brilliantly saved by Joe Hart, but the England keeper could only push the ball into the air and the Belgian took full advantage to force home the rebound.

Howard was soon forced to react well to a shot from Tevez as City bounced back.

But they got a helping hand from Fellaini himself, whose tug on Dzeko's shirt at a corner was deemed a penalty by ref Lee Probert.

Everton's protests at the soft spot-kick fell on deaf ears and Tevez duly sent Howard the wrong way.

Fellaini nearly restored Everton's lead, a deft back header from Baines' cross forcing Hart to plunge to another fine save.

And in the dying moments Hart was almost bamboozled by a wicked Nikica Jelavic free-kick.

# ALL THE ACTION AND DRAMA FROM

# ROO 'N VAN MAKE SURE BRAVE ROYALS ARE FLUSHED

**READING 3** **MAN UNITED 4**

ROBIN VAN PERSIE sent United back to the top of the table after netting the final goal of a seven-goal thriller.

But once again Sir Alex Ferguson's men did it the hard way.

The Red Devils fell behind to Hal Robson-Kanu's opener before Anderson's goal and Wayne Rooney's penalty looked to have put them in control.

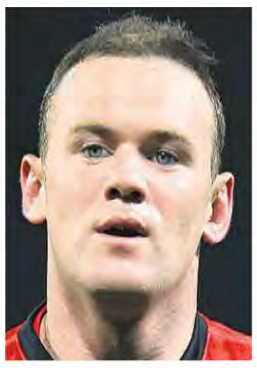
But two headers from Adam le Fondre and Sean Morrison, both from identical corners, would have left Ferguie fuming. United responded with Rooney and Van Persie wrapping up the win.

But they will know they can't afford to keep being so charitable if they are to wrestle back the title.

Reading began well and it was no shock to see them take an eighth-minute lead.

Jobi McAnuff's cross was headed tamely out by Jonny Evans and Robson-Kanu fired into the roof of the net.

United have been here before, having fallen behind in 14 games this season.



DOUBLING UP: Rooney

## Bundled

Another rescue mission was needed and they responded – as they so often do.

Ashley Young's pass found Anderson and his shot was too strong for Adam Federici for the 13th-minute leveller.

To compound matters, Federici was picking the ball out of the net again within three minutes.

Rooney's corner found its way to Evans who was shoved in the back by Jay Tabb for a clear penalty, with Rooney sending Federici the wrong way.

Reading could have felt sorry for themselves but they hit back.

Nicky Shorey's corner saw Le Fondre free to head home with just 19 minutes on the clock.

If the marking was bad then, it was awful as Reading regained the lead four minutes later.

Another set-piece was whipped in by Shorey and Morrison powered home a header.

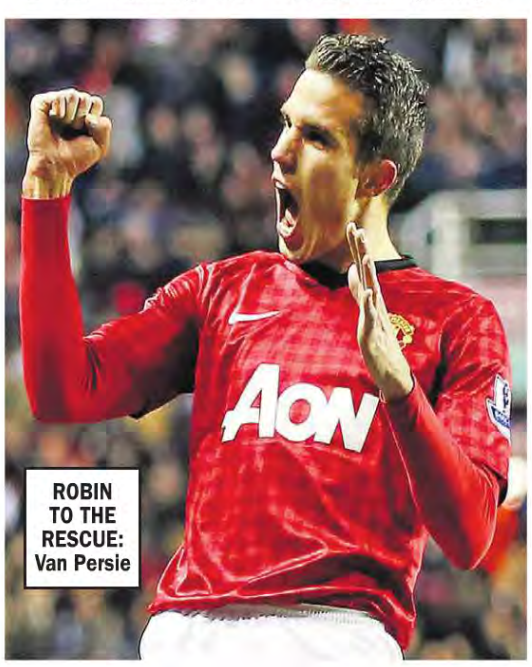
The blitz was not done there. Young's back-heel freed Patrice Evra and his cross found Rooney who had the routine job of side-footing in.

Van Persie got himself on the scoresheet after collecting Rooney's flick to slotted in with just 34 minutes played.

Reading thought they had won a penalty when Adrian Mariappa went down under a tackle from Evra, only for ref Mark Halsey to wave away appeals.

The pace of the game, and goals, then slowed.

Van Persie blazed wide after Federici's error in the 66th minute in one of the rare second-half openings.



ROBIN TO THE RESCUE: Van Persie

YOU DANCIN'? YOU ASKIN'? Maiga celebrates with Nolan after netting West Ham's third goal

By IAN WINROW

**RAFA BENITEZ'S reign at Chelsea has been plunged into crisis after just three games.**

The under-pressure Blues boss was left stunned by his side's second-half collapse against a revitalised West Ham.

The defeat means Chelsea have now gone seven league games without a win for the first time since February 1995.

And with the Spaniard already the target of abuse from fans, he will need to turn things around quickly if he is to avoid an early exit from Stamford Bridge.

Things looked promising when Juan Mata fired Chelsea ahead in the 13th minute.

But a double switch at the break by West Ham boss Sam Allardyce transformed the contest.

On came Mohamed Diame and Matt Taylor – and the Hammers rallied to claim three points through goals from Carlton Cole, Diame and Modibo Maiga

Benitez reckons Chelsea's senior stars are running on empty after a gruelling start to the season.

## Boosted

And he reacted by ringing the changes ahead of the crucial Champions League clash with Nordsjaelland.

Back came Mata and John Obi Mikel after being left out of the starting line-up against Fulham.

And Benitez handed a shirt to Victor Moses as he opted to rest Oscar.

The changes had the desired effect, and Chelsea's ambitions were boosted by the absence of Andy Carroll from the Hammers line-up.

Allardyce revealed before kick-off that the England striker would be out for eight weeks with a knee injury.

Even so, it was the home side that created the first real opening when Winston Reid directed a header towards skipper Kevin Nolan who was denied by Cesar Azpilicueta.

But that proved to be a rare opening for West Ham during the opening stages. And it was Chelsea who grabbed the opening goal.

Moses released Fernando Torres and the striker teed up Mata with a perfect cut-back.

And the Spaniard's

# Jermain is Defoe to fear

**FULHAM 0**
**TOTTENHAM 3**

TOTTENHAM'S Champions League hopes are back on track after another deadly double from Jermain Defoe.

Manager Andre Villas-Boas has compared Defoe to Radamel Falcao and the England striker *(right)* is giving Spurs a great chance of getting back in the top four.

Sandro's shot was palmed into the net by Mark Schwarzer for the opener and Defoe did the rest – taking his tally this season to 12.

Villas-Boas had watched Chelsea lose at lunchtime, then drew level on points with his old team thanks to a third win in a week.

The second-half blitz was enough to win this Ex-Factor battle. Clint Dempsey was branded a "greedy bastard" by home fans on his first return after ditching Fulham.

They jeered his every touch but he almost had the last laugh when he created a chance for himself after five minutes.

## Erupted

The Yank danced around Philippe Senderos and Aaron Hughes but planted his finish just wide.

Fulham's first opening came as Kerim Frei blasted over the bar.

And they almost took advantage when Spurs captain Michael Dawson picked up an ankle injury. William Gallas came on and Fulham broke immediately through John Arne Riise.

Mladen Petric was on the end of Riise's cross but Hugo Lloris saved well.

The game erupted into a diving row midway through the first half. Gareth Bale tried to ride Steve Sidwell's challenge but threw himself to the ground.

The Welsh wing whizz arched his back and exaggerated his fall, but referee Chris Foy was not buying it and booked Bale.

Gylfi Sigurdsson set up Defoe's first with a cut-back and the striker wrapped up the scoring when he was sent clear and finished neatly.

# Crisis grows for Rafa as Hammers hit 'em hard

WHAT HAVE I DONE? Benitez looks on as his side surrender their lead in the second half

**WEST HAM UNITED 3**
**CHELSEA 1**

finish gave goalkeeper Jussi Jaaskelainen no chance.

That was the signal for Chelsea to take charge of the game as West Ham were forced to cling on in the face of sustained pressure.

The speed of the visitors' attacking moves repeatedly exposed the West Ham back four and if Chelsea had shown more composure, they could have put the game beyond Allardyce's men.

Ramires and Mata were both guilty of fluffing good chances. And Torres joined them when he blasted over after a sweeping move.

To West Ham's credit they held their nerve and clawed their way back into the game as the half wore on. And they would have been level before the break but for Petr Cech's excellent save that denied Nolan's looping header.

Allardyce rang his changes at half-time, introducing Mohamed Diame and Matt Taylor for James Tomkins and Gary O'Neil.

And the switch paid off in spades, with his side forcing Chelsea onto the back foot.

Gary Cahill blocked Diame's powerful shot and moments later the defender took a boot in the face from Carlton Cole as the Blues' defending became increasingly desperate.

An equaliser was on the cards – and it came in the 63rd minute when Cole out-jumped Ivanovic to head home Matt Jarvis's deflected cross.

The leveller was no more than West Ham deserved. But it woke Chelsea up and Benitez's side responded quickly with Eden Hazard and Torres both seeing efforts saved by Jaaskelainen. Then Mata came within inches of restoring Chelsea's lead when he curled a free-kick against the post.

But West Ham were on a roll and they found themselves ahead in the 86th minute when Diame drilled home after being set up by Cole.

Then Maiga wrapped things up in added time when he pounced from close range.

## Jamie can't save Hoops from record winless run

**QPR 1**
**ASTON VILLA 1**

**JAMIE MACKIE rescued a point for QPR – but Harry Redknapp's men still equalled the Premier League record for their embarrassing winless run.**

**Redknapp, making his home debut, was given a massive cheer when he sat down in the dugout and fans chanted his name from the first whistle.**

**The players looked a different mob to the one under former boss Mark Hughes.**

**In the space of a week Redknapp looked to have changed them from a shower of over-paid mercenaries into a team.**

**But they were denied despite a shedload of second-half chances and are still rock-bottom after their 15th game without a win – equalling Swindon Town's sorry stretch from the 1993-94 season.**

**After a decent start, Rangers were on the back foot in the eighth minute when Brett Holman pounced on a loose ball to blast home for Villa.**

**Keeper Rob Green got a hand to the shot but could only turn it onto the inside of a post.**

### Silenced

**The Hoops were back in it 10 minutes later when Mackie flicked a header into the net off Samba Diakite's cross for his second goal in two games.**

**A minute later the home fans were silenced as Christian Benteke – who kept Darren Bent on the bench for the whole game – headed into the net but the goal was ruled out for offside.**

**After Shaun Wright-Phillips had one shot well saved, then hit the Villa post, play was held up for seven minutes while Stephane Mbia was carted off to hospital with a serious neck injury.**

**Rangers could have been out of sight by the end if it wasn't for some Brad Guzan heroics and wayward shooting.**

**Wright-Phillips had another pop before Ryan Nelsen's header was saved.**

**Then sub Ji-Sung Park had a shot stopped before Nelsen hit the post with another effort.**

# IT'S AGGER PHEW ON THE KOP AFTER SUAREZ IS HANDED BAN

**LIVERPOOL 1**
**SOUTHAMPTON 0**

AT least Liverpool did not need yet another goal from Luis Suarez for once, as defender Daniel Agger clinched this win over Saints.

But they better get used to being without controversial Suarez as his second-half booking for punching the ball into the net earned him a one-match suspension.

The Reds were 1-0 up at the break but must have wondered how they hadn't buried Southampton under an avalanche.

Centre-half Agger broke the deadlock with a header on 43 minutes after Suarez had hit the bar with a free-kick – the second time in the first half they struck woodwork.

The contest should have been over well before then, with Glen Johnson flicking a shot just wide after nine minutes.

Steven Gerrard, Johnson and Jonjo Shelvey all tested Saints keeper Paulo Gazzaniga.

And Suarez thought he should have had a penalty when he shot at the keeper and claimed Jack Cork had pulled him back.

Pepe Reina's long kick almost put him clear and forced Maya Yoshida into some desperation defending.

Then Shelvey thought he had put Liverpool ahead with a vicious angled shot that thundered against the bar and flew to safety.

A rare Southampton sortie saw Jason Puncheon win a corner after his shot deflected off Agger.

But the home side was soon back on top with Jose Enrique and Raheem Sterling both fluffing chances.

When Southampton did enjoy a rare break in pressure, through striker Gaston Ramirez, he greedily shot wide from a mile out.

Still Liverpool could not find the second they needed to kill off the game.

Martin Skrtel guided a header wide from a corner and Enrique's shot was pawed away by Gazzaniga.

## Bumbling Benitez fears axe as Chelsea get a Hammering

**RAFA BENITEZ admits he may not see out the season at Stamford Bridge as his Chelsea nightmare went from bad to worse.**

The Blues' 3-1 defeat at West Ham capped a miserable first week in charge for the interim boss, who was again forced to run a gauntlet of hate from the Chelsea fans.

Asked if he could weather the storm, Benitez said: "I'm not 100 per cent sure – but if we won the game we'd be happy.

"We have to improve on the pitch and the fans will be happy.

**WEST HAM 3 CHELSEA 1**

My main concern now is to improve the team. If we do that and start winning games then we'll be able to turn things around.

"The main thing for me is to make the team better. I'm not really thinking about anything else."

The manager insisted he does still have the backing of his players.

He added: "After one week, I'm 100 per cent sure that they want to improve and they want to win. It depends what we can do on the pitch."

Triumphant West Ham boss Sam Allardyce said he didn't have any sympathy at all for Benitez.

He insisted: "We don't have sympathy for each other – we compete against each other.

"We toil against each other, play mind games against each other. In the end we came out on top today.

"But it's clear that you can't manage a club if the fans aren't behind you, and the only way you get the fans behind you is to win."
